THE MOST BEAUTIFUL CAFÉ IN PRAGUE

UNIQUE STORY, UNIQUE ARCHITECTURE, UNIQUE SERVICES

The interior of the most prominent and in its complexity most preserved building in the distinctive Czech architectural "National Style", will immediately captivate you by its cosy atmosphere. Although the building itself is quite monumental and uniquely represents the immense strength of the Czechoslovak Legion movement as well as the excitement and enthusiasm upon the independence of the young Czechoslovak republic, one can still feel the homelike atmosphere of the long gone era. Architect Josef Gočár designed the Archa Palace for the Legiobank in 1921. Exquisite sculptural decoration is authored by Jan Štursa and Otto Gutfreund, who

indeed found the inspiration in the dramatic history of the Czechoslovak Legion and its members. Physiognomy of individual heroes portrayed on the sculptural reliefs is based on actual historical personalities. The morphology and mythology are united here in what feels as a romantic unity. However, do not be fooled by the amount of decorations somehow resembling portals of ancient puppet theatres with a magic atmosphere. They are real stories of modern Czech history, which suddenly appear in front of us from a haze and come alive again thanks to the sensitive interpretation of contemporary architects.

→ WELCOME TO PRAGUE!

Welcome to Prague! Whether you've just landed, arrived by train, bus or car, we've got the allimportant low down on how to reach the city center using all the possible means of transportation, whether on a tight budget or otherwise.

Добро пожаловать в Прагу! Если вы только что приземлились, прибыли на поезде, автобусе или автомобиле, у нас есть все важные данные о том, как добраться до центра города, используя все возможные виды транспорта в зависимости от ваших средств.

↓ 1. ARRIVING IN PRAGUE BY PLANE

The airport is located on the northwest edge of Prague, some 20km (12 miles) from the city center. Although Prague boasts other, smaller airports, all international flights operate through Ruzyně. Important related phone numbers include +420 220 113 314 (general info), +420 220 116 072 (baggage claim) and +420 220 114 283 (lost & found).

↓ 1. ПРИБИТИЕ В ПРАГУ НА САМОЛЕТЕ

Аэропорт расположен на северозападной окраине Праги, приблизительно в 20 км от центра города. Хотя Прага может похвастаться другими, меньшими аэропортами, все международные рейсы осуществляются через аэропорт Рузине. Необходимыми телефонными номерами являются +420 220 113 314 (общая информация), +420 220 116 072 (багаж) и +420 220 114 283 (стол находок).

↓ GETTING TO THE CITY CENTRE

If you've just arrived at the airport, getting downtown is generally, depending on the traffic, a matter of some 20 to 30 minutes (if you make use of a taxi or a shuttle service; see below), or 50 minutes if you use the cheaper yet convenient and comfortable public transportation.

↓ КАК ДОБРАТЬСЯ ДО ЦЕНТРА ГОРОДА

Если вы только что прибыли в аэропорт, возможность добраться до центра города, как правило зависит от транспорта. Интервалы составляют от 20 до 30 минут (в том случае, если вы пользуетесь такси

FACTS & INFO

↓...BY PUBLIC
TRANSPORTATION

Bus presents the cheapest way of reaching city center. It links the airport with the terminus of one of Prague's three subway lines. The drawback may be the fact that you need to buy a bus ticket, for which you'll need Czech crowns. Use the ATMs in the arrivals hall to get Czech crowns, rather than changing money at the overpriced exchange offices. You can either buy your ticket from the kiosk or the transport information desk in both arrival halls (open 7AM – 10PM), from the coin vending machines located right at the bus stop platform, or directly from the driver, although this will cost a couple extra crowns. The ticket price is 26 Czech crowns (1EUR / 1.3USD) for

transfer ticket that remains valid for the follow-up subway ride, or for a total of 75 minutes, plus an extra 13 crowns for larger pieces of luggage.

BUS # 119

This will probably be most people's choice as the 119 provides the quickest connection to the historical center. Depending on the time of day, it runs every 7 to 20 minutes and gets you to the A line of Prague's subway. Hop on, remember to validate your ticket, and don't get off until the final stop (Dejvická). The subway entrance is just next to where you get off. The bus runs from 4:18AM until around 12:10 AM at night.

BUS # 100

The 100 bus links the airport with the B-line of the Prague subway. Just get off at Zličín, the final stop. The 100 runs every 15 minutes throughout the day and every half hour after 7PM. The ride takes 15 minutes, but expect another 20 minutes

или трансфером, см. ниже), или 50 минут, если вы пользуетесь более дешевым и удобным общественным транспортом.

↓... НА ОБЩЕСТВЕННОМ
ТРАНСПОРТЕ

Автобус представляет самый дешевый способ как добраться до центра Праги. Он связывает аэропорт с терминалом одной из трех линий пражского метро. Недостатком является то, что вам будут нужны чешские кроны, чтобы купить билет на автобус. Пользуйтесь банкоматами в зале прибытия, чтобы получить чешские кроны, а не менять деньги в обменных пунктах по повышенной цене.

Вы можете купить билет в киоске или в информационном бюро в обоих залах прибытия (работает с 7 утра до 10 вечера), из монетных автоматов, расположенных на автобусной остановке, или прямо у водителя, хотя это будет стоить пару дополнительных крон.

Цена билета с пересадкой составляет 26 чешских крон (1EUR / 1.3USD). Он остается в силе для следующей поездки метро - в общей сложности действителен в течение 75 минут. Для багажа больших размеров вы заплатите следующих 13 крон. Обратите внимание на то, что торговые автоматы и шоферы не принимают иностранную валюту. Автобус удобный, чистый и безопасный способ сообщения с центром Праги для тех, кто хочет экономить. Однако, автобус может быть довольно переполненным в часе пик!

АВТОБУС № 119

Вероятно, большинство людей выберет автобус № 119, который обеспечивает быструю связь с историческим центром. В зависимости от времени суток, он ездит каждые 7 - 20 минут и соединяет пассажиров с линией пражского метро. Садитесь на автобус и не забудьте закопостризовать свой билет. Поезжайте до конечной станции метро

FACTS & INFO

of subway ride if you're aiming to reach the city center afterwards by metro. The bus runs from 5:30AM until around 11:50 PM.

AIRPORT EXPRESS BUS

The Airport Express bus service links the airport with the Hlavní nadrazi train station; it runs every half hour and the ride takes 40 minutes. Although part of Prague's public transportation system, special fares apply: tickets can be purchased solely from the driver and run for 50 crowns (with no extra luggage fees). The AE runs from from 5:00AM to 10:00PM.

TRAVELLING AT NIGHT

If you want to use the public transportation at night, look out for the # 510 bus, operating between midnight and 3.30AM and linking the airport with the tram at Divoka Sarka. From there, take the tram # 51 to the city center. Note that the night bus runs every 30 minutes.

↓...BY SHUTTLE

Various companies run shuttle door-to-door services, or drop you off at the city center. They are generally priced lower compared to taxis, and can be easily found outside the terminals. The CEDAZ minibus shuttles run every half hour and costs 120 crowns per person, dropping you off at the city center. The service operates between 5:30AM and 9:30PM. CEDAZ will also drive you directly to any given address, but you need to pre-book (call +420 220 116 758 or go to www.cedaz.cz). Other shuttle services include Prague Airport Transfers who accept credit cards (www.prague-airport-transfers.com).

Дейвица. Вход в метро находится рядом с местом, где вы будете выходить из автобуса. Автобус курсирует с 4ч. 18мин. утра примерно до 00 ч. 10 мин.

АВТОБУС № 100

Автобус № 100 соединяет аэропорт с линией Б пражского метро. Выйдите на конечной остановке Зличин. Автобус № 100 ходит каждые 15 минут в течение дня и каждые полчаса после 7 часов вечера. Поездка продолжается 15 минут, но вас ждет еще 20 минут езды на метро, если вы на нем собираетесь добираться до центра города. Автобус курсирует с 5ч. 30мин. утра примерно до 23ч.50мин. ночи.

АВТОБУС AIRPORT EXPRESS

Автобус Airport Express (AE) связывает аэропорт с Главным вокзалом (Hlavní nadrazi). Он ездит каждые полчаса, и поездка длится 40 минут. Хотя AE является частью системы общественного транспорта Праги, здесь применяются специальные тарифы: билеты можно приобрести только у водителя и в цене 50 крон (без дополнительной оплаты за багаж). AE ездит с 5ч. утра до 10ч. вечера.

НОЧНЫЕ РЕЙСЫ

Если вы хотите использовать общественный транспорт в ночное время, обратите внимание на автобус № 510, который ездит между полночью и 3ч. 30мин. утра и связывает аэропорт с трамваем на остановке Дивока Шарка (Divoka Sarka). Оттуда добирайтесь на трамвае № 51 до центра города. Обратите внимание - ночной автобус ходит каждые 30 минут.

↓..НА МАРШРУТНОМ ТАКСИ

Различные компании используют челночное сообщение „от двери до двери ... или высаживают вас в центре города. Их цены, как правило, ниже, чем в такси, и такой тип такси можно легко найти за пределами терминалов. Челночные микроавтобусы CEDAZ ходят каждые полчаса, и проезд в центр города стоит 120 крон на человека. Микроавтобус курсирует с 5ч.30мин. утра до 9ч.30мин. вечера. CE-

↓...BY TAXI

Prague taxi drivers are notorious for overcharging tourists. Generally, you should be on the safe side with the fleet of AAA-labelled taxis waiting in front of the terminal. The ride will cost around 500 – 700 crowns. Don't shy away from contacting a competing company, but make sure to always check the price beforehand, whatever company you've chosen! You shouldn't ever have to pay over 900 crowns.

DAZ вас также отвезет по любому заранее заказанному адресу (+420 211 111 111 или посетите www.cedaz.cz). Другие услуги включают трансфер из Аэропорта Прага, где принимают кредитные карты (www.prague-aeroporto-transfers.com).

↓... НА ТАКСИ

Пражские таксисты известны своим обчитыванием туристов. Поэтому на всякий случай пользуйтесь такси с надписью AAA, ожидающих перед терминалом. Поездка будет стоить около 500 - 700 крон. Не бойтесь воспользоваться услугами конкурирующих компаний, но заранее убедитесь в цене. Независимо от компании, которую вы выбрали, вы никогда не должны платить более 900 крон.

↓2. ARRIVING IN PRAGUE BY TRAIN

International trains arrive at the central station, Hlavní nádraží, often referred to as Praha hl.n. The station is directly connected with Prague's subway system and located right in the city centre. If arriving after dark, we highly recommend hopping on the subway (remember to buy a ticket) rather than walking out and through the surrounding park. Most of the station itself has just been refurbished and boasts a modern look with plenty of kiosks, drug stores and fast-food joints.

↓2. ПРИЕЗД В ПРАГУ НА ПОЕЗДЕ

Международные поезда прибывают на центральную станцию, Hlavní nádraží, часто называемую Praha hl.n. Станция непосредственно связана с пражским метро и расположена в самом центре города. Если вы прибываете после наступления темноты, мы настоятельно рекомендуем вам ехать на метро (не забудьте купить билет) и не проходить через окружающий парк. Большая часть самой станции только что была отремонтирована и может похвастаться современным видом с множеством киосков, аптек и ресторанов быстрого питания.

3. ARRIVING IN PRAGUE BY BUS

Florenc is the central bus station; located in the city centre, it is also directly adjacent to Prague subway's station Florenc (a transfer station between the lines C and B). Like the central train station, Florenc has recently undergone a major facelift and now boasts a pleasant and clean arrivals & departures hall with kiosks and fast-foods (Burger King, anyone?), and most importantly a big screen showing the bus times and the respective platforms.

3. Приезд в Прагу на автобусе

Флоренц не только является центральной автобусной станцией, расположенной в центре города, но и в непосредственной близости от пражской станции метро Флоренц (переход между линиями С и В). Как и центральный железнодорожный вокзал, станция Флоренц недавно подверглась значительной реконструкции и теперь может похвастаться приятным и чистым залом приездов и отъездов с киосками и ресторанами фаст-фуд (желаете Burger King?), а самое главное - большим экраном с отъездами и приездами автобусов и с указанием соответствующих платформ.

4. ARRIVING IN PRAGUE BY CAR

Prague falls victim to traffic jams and a lack of legal parking spaces (streets with blue-marked areas on the side are reserved for residents and you run the risk of having your car towed if you park there). This is why we recommend using the so-called P+R's (park and ride) parking places, situated near all highways. Find more info at www.dpp.cz/en/parking.

4. Приезд в Прагу на автомобиле

Прага становится жертвой пробок и недостатком законных парковочных мест. Улицы с полосой синего цвета на стороне означают области зарезервированные для жителей. В этом случае вы рискуете, что ваш автомобиль будет отбуксирован при паркинге. Именно поэтому мы рекомендуем использовать так называемые стоянки парк анд райд (P + R) - парковочные места, расположенные вблизи всех магистралей. Более подробную информацию найдете на www.dpp.cz/en/parking.

PRAGUE'S PUBLIC TRANSPORTATION SYSTEM

Prague's public transportation system is generally reasonably clean, very efficient, runs on time, and its network spans the whole city; with the price of 32 CZK for a transfer ticket (1EUR / 1.3USD), it cannot be beat. If you don't need to venture out of the center, you can confine to using the subway (or metro, as it's called here) and trams; buses service the further-away neighbourhoods. Let's look more closely at the various tickets you can purchase.

Tickets can be bought from the numerous vending machines in all the metro stations and at many tram stops (always keep coins at hand), or from most tobacco stores / kiosks.

24-hour pass: 110 CZK
3-day pass: (72 hours): 310 CZK

ONE-OFF TICKETS

30 min. / 5 stops / no transfer ticket: 24 CZK, 90 min. transfer ticket: 32 CZK

For more information about Prague Public transport visit www.dpp.cz or call the free info line 296 191 817.

СИСТЕМА ОБЩЕСТВЕННОГО ТРАНСПОРТА В ПРАГЕ

Общественный транспорт в Праге, как правило, достаточно чистый, очень эффективный и точный. Его сеть охватывает весь город. Цена билета 32 крон за поездку с пересадкой (1EUR / 1.3USD) очень выгодна. Если вам не надо выходить из центра, вы можете ограничиться метро и трамваями. Автобусы следуют в окрестности города. Давайте более внимательно рассмотрим различные

типы билетов, которые можно приобрести. Билеты можно приобрести в многочисленных торговых автоматах на всех станциях метро и на многих трамвайных остановках (всегда имейте при себе монеты), или в большинстве табачных магазинов или киосков.

Суточный билет (24 часа): 110 крон
Трехдневный билет(72 часа): 310 крон

РАЗОВЫЕ БИЛЕТЫ

30 минут / 5 остановок / без пересадки: 24 крон

FACTS & INFO

For over 1000 years, Prague has served as the political, cultural and economic centre of the Czech state. Having been the seat of two Holy Roman Emperors during the gothic and renaissance periods, it also had the status of the Holy Roman Empire capital. Prague's history commenced in the year 870, although evidence shows the area had been inhabited since the Stone Age. The city flourished during the 14th century, under the reign of King Charles IV, who, among other deeds, ordered the building of the famous Charles Bridge or Saint Vitus Cathedral, the oldest gothic cathedral in central Europe, and Charles University, the oldest university in central Europe. Prague was then the third-largest city in Europe. Now home to some 1.2 million inhabitants, Prague became the capital of the newly set up Czechoslovakia in 1918, with the end of WW I and the dissolution of the Austro-Hungarian Empire. In 1992, Prague's historic center became a UNESCO world heritage site, and is currently one of the world's most popular tourist destinations.

На протяжении более 1000 лет, Прага служит политическим, культурным и экономическим центром чешского государства. Она была пристольным городом двух императоров Священной Римской империи в готическом периоде и в эпохе Возрождения. Прага также имела статус столицы Священной Римской империи. История Праги началась в 870г., хотя есть сведения о том, что область была населена с периода каменного века. Город процветал в течение 14-го века, во времена правления короля Карла IV, который, наряду с другими проектами, приказал построить знаменитый Карлов мост, кафедральный готический собор Святого Вита, и Карлов университет - старейшие постройки в Центральной Европе. В то время Прага была третьим по величине городом Европы. Сейчас здесь проживает около 1,2 млн. человек. После окончания Первой мировой войны и распада Австро-Венгерской империи в 1918 году Прага стала столицей вновь созданной Чехословакии. В 1992 году исторический центр Праги стал принадлежать к Всемирному наследию ЮНЕСКО, и в настоящее время является одним из самых популярных туристических мест в мире.

SURE THING

Culture does have a face that is constatly changing and evolving, but at the same time it holds proven things that are clsoe to the audience.

A number of important cultural innovations coming in next months, therefore, raises the question in minds „where have I already seen that“. New Adam Sandler Pixels are essentially Ghostbusters with computer heroes, The Man From U.N.C.L.E. could easily be (true, much more crazier) a Bond movie and such a new Fantastic Four gets face swap of all main actors but the same old story of the fight with Dr. Doom remained.

Similar „copying“ fortunately does not mean that you will not have fun. On the contrary, the makers can learn from the mistakes of predecessors, or come up with new ideas. I tis, however, no question that something needs to improve. Maybe James Cameron's classic Aliens from 1986, which we will enjoy in cinemas in the coming weeks. It is a timeless perfection.

TRAINWRECK

Comedy USA, 2015
 Director: Judd Apatow
 Stars: Amy Schumer, Ezra Miller,
 Bill Hader, Tilda Swinston
 Release date: 6.8.2015

Trainwreck is another crazy and incorrect comedy of director Judd Apatow. Spectators may know him from comedies Knocked Up and 40 Year Old Virgin. About what is the novelty

Trainwreck? When Amy was a little girl, her father explained that monogamy is nonsense. Now she is a journalist in the men's magazine and respects the advice from her father. She lives much unbridled life, without any commitments until the time when she meets a sports doctor during one of coverages. But do not expect a classic romance. Amy Schumer in the main role is pretty sharp comedian and the role written by Apatow suits her best.

PIXELS

Comedy, USA, 2015
Director: Chris Columbus
Stars: Adam Sandler, Josh Gad,
Kevin James, Peter Dinklage
Release date: 13.8.2015

In the movie Pixels intergalactic aliens interpret visual recordings of classic video games as a declaration of war and attacks Earth with combat technique which is directly inspired by these games. President Will Copper (James) has to call his best childhood friend, videogame champion of the eighties Sam Benner (Sandler), who is now de-

The movie is not a blockbuster and the story is recycling more or less what we have already seen on the screen – the four heroes are exposed to energy, which gives them special abi-

Action / Comedy, USA, 2015
Director: Guy Ritchie
Stars: Henry Cavill, Alicia Vikander,

Release date: 20.8.2015

Meet two top agents of U.N.C.L.E. organization. American Napoleon Solo (Henry Cavill) and Russian Illya Kuryakin (Armie Hammer) fight against all criminals who threaten the world. The story takes place in the early sixties of the twentieth century, at the peak of the Cold War. CIA agent Solo and KGB agent Kuryakin fight against the mysterious criminal

organization that subjugates the world through the spread of nuclear weapons. The key to the capture of the main culprits is the daughter of a German scientist. The battle against time begins, being directed by action movie champion Guy Ritchie (Sherlock Holmes).

HITMAN: AGENT 47

Action / Crimi / Thriller, USA, 2015
 Director: Aleksander Bach
 Stars: Rupert Friend, Zachary Quinto,
 Thomas Kretschmann
 Release date: 27.8.2015

Hitman is one of the most stylish killing machines in the video game world. Actor Rupert Friend was well stated as tough guy in the Homeland series. Blended together, everything is fine. However on the scene these two things don't match very well. Friend plays the role too gaunt for making a respect with

bald head and suit with bright red tie. Agent 47 deserves decent movie adaptation, but we fear that even the second movie won't go as you would think and as the artwork deserves. Yet don't judge it sooner than necessary. Maybe it will eventually leave us with mouths opened.

VACATION

Comedy, USA, 2015
 Director: J. F. Daley, J. M. Goldstein
 Stars: Ed Helms, Christina Applegate,
 Chris Hemsworth, Chevy Chase
 Release date: 27.8.2015

With Clark Griswold and his family we have enjoyed four cinematic adventures (Christmas Vacation was legendary movie in our country). Now is the time to pass the scepter to the young generation. But it's not a reboot, the story now focuses on the offspring. In essence the fifth part has fortunately the spirit of the original series. Ed Helms (Stu the dentist of Hangover) is the ideal leader for similar spectacle, Christina Applegate (former Kelly Bundy) seconded him very well, and as a bonus a giant penis of Chris Hemsworth... well, Thor has not only a powerful hammer!

PRIDE

Comedy / Drama, GB, 2014
 Director: Matthew Warchus
 Stars: Bill Nighy, Andrew Scott,
 Dominic West, Joseph Gilgun
 Release date: 27.8.2015

The year is 1884. British Prime Minister Is Margaret Thatcher, also known as the Iron Lady. During the time of her reign the riots of miners are culminating in the country. During Gay Pride in London, group of activists decides to help their families and organize a collection for them. Trade Union of Miners, however, is reluctant to accept their help. The reason is simple. They do not like to counter accusations that the mining union openly sympathizes with the gay movement. Activists, however, decide to ignore their decision and walk right into a small village in Wales where they intend to hand over the yield directly to families.

FEEL LIKE IN HOLLYWOOD!

Although you won't find any Hollywood movie stars in the Czech streets, many of them were filming here. So you can make a picture of Czech sites that adorn a lot of famous Hollywood movies.

We have to start with the blockbuster Mission: Impossible from 1996 with Tom Cruise in the lead role. It was the first major Hollywood production that visited Prague and the filmmakers had used a number of gorgeous Prague scenes. The party at the embassy was filmed at the National Museum, the escape from modern glass restaurant (cover photo) on the Old Town Square. In this case, however, keep in mind that the restaurant itself doesn't exist – it was made just for the purpose of filming the movie.

After 15 years the production of Mission: Impossible returned to Prague, this with the fourth chapter – Ghost Protocol. They used the Main Railway Station (the opening scene with killed agent) or the corner house in the street Pštrossova 17, where Ethan Hunt ran from the police. In 2002 Anthony Hopkins and Chris Rock visited Prague together to shoot an action thriller Bad Company. Rock was chased

by bad guys in Thun Street in Lesser Town (Malá Strana), Hopkins' agent went to helmet him through Castle stairs (Zámecké schody). Together they went to the Castle Square. They also used the Shooter's Island (Střelecký ostrov) in the Old Town (the scene with atomic bomb dealer).

Even the legendary vampire slayer Blade used the streets of Prague in his second adventure movie. From the entrance next to the pizzeria in the Sokolovská Street, the filmmakers made a vampire blood bank. And for the seat of vampire family Damaskinos they used secluded place of Vaníčkova Street.

Prague had a key role in the action movie of Vin Diesel *xXx* filmed in 2002. Beginning of the movie was shot on the Old Town Square (the producers managed to depopulate it, which was almost an impossible task), then the camera wandered the Týnská Street, the Powder Gate, the Republic Square and the seat of the Czech philharmonic – Rudolfinum.

In 2004 our country was visited by *Wolverine* – Hugh Jackman, in those times without his comic book claws, but with his long coat and hat as Van Helsing. The battle in the village with three brides of *Dracula* (probably the best part of the movie) was filmed at the Kunratice Castle in Pra-

gue 4. Then the hero walks the street Na Kampě under the Charles Bridge, where one of the brides offers him a trade. The magnificent ball of vampires was filmed in the Saint Nicholas Church.

This list of Hollywood hits, which included Prague to its scenes, naturally doesn't end. Furthermore, there were shot movies like *The Bourne Identity* (street Kampa, street of Political prisoners, the Senovážná square) or *A Knight's Tale* (Prague Castle, the Charles Bridge). Before the walk in our metropolis we recommend to watch all of these mentioned movies.

INTERVIEW: Vlastimil Musil

H *He deals with Bohemian garnet processing already for 30 years. The production of jewellery becomes for him almost whole-life fulfilment of interests. In the interview with him, you can simply recognize a love to craft: Even after such a long time, he can't talk about the garnet without a spark in his eyes. And also, he has a penchant for tie clips and cufflinks. That all is the sales and marketing director of co-operative Granát Turnov Vlastimil Musil.*

Can you describe, in what lies the uniqueness of Bohemian garnet?

Bohemian garnet is unique because of its originality and bloody red color. Because we mine and process it in Czech Republic, it became our national tradition and national wealth. Its bloody red color is unmistakable and together with the tradition and national meaning that stone makes also the whole jewel unique.

How is it with Bohemian garnet worldwide?

Our co-operative has its customers worldwide, from United States through Europe to Japan. Ask foreign tourists, they'll tell you, what am I talking about. Jewelry with Bohemian garnets are very favored between foreign tourists or customers in foreign countries.

Why would you recommend Bohemian garnet?

A customer, who bought original jewel with Bohemian garnet, chose a right variant. He bought something original, he bought a present or jewel, which has a direct relation to visited country, and when he wears this jewel, even after a long time, he will remember with a pleasure those nice whiles spent in Prague or in other Czech city or town.

How one recognizes Bohemian garnet?

Jewelry with Bohemian garnets have its specific characteristics and shape. Since Bohemian garnets are quite little stones, the jewel is characteristic by a big field of small, bloody red stones. Its size is roughly 2.5 to 5 mm. Original jewellery is delivered together with a certificate of authenticity, which is equipped with a holographic label in a shape of logo of our co-operative and it is made under trademarks Český granát (Bohemian garnet) and Granát Turnov (Garnet Turnov). Each jewel is marked by hall-mark in a shape of letter "G".

You lead even a museum of Bohemian garnet in Turnov. What all does it offer?

A visitor may become familiar there with a history of both the extraction, and also processing of Bohemian garnet. Even more this year, we'll celebrate 60 years of this tradition. In museum, customer center and Galerie Granát (Gallery Garnet) we perform these works to visitors and they can try then the production themselves.

That is very impressive and it catches eye of many incomers. In ground floor, there are our stores, where tourists can buy our goods with advantage.

Granát, artistic manufacturing cooperative, Turnov The manufacturer of the traditional jewelry from Bohemian garnet. The biggest collection with modern design patterns. The only owner of a Bohemian garnet strip mine.

KUTNÁ HORA

www.kutinahora.cz

Kutná Hora is ranked alongside the most historically important cities of the Czech Republic.

The history of our country already began in the early Middle Ages, mainly thanks to the local silver mines. Thanks to the mines Kutná Hora is (“kutat” is an old Czech word for “mine”) considered the treasury and jewel of the country, whose wealth is at the very beginning of the expansion of the kingdom. It can be proud of a wide range of architectural styles and completely unique buildings from different historical periods.

From all of the streets, houses and churches can be felt its long history full of important events. Recent years are also in the name of return to the winemaking tradition which used to be an integral part of the local heritage of the city. The historical center of Kutná Hora with late Gothic Church of St. Barbara and the Church of the Assumption of the Virgin Mary in Sedlec is a uniquely preserved medieval urban structure with a number of Gothic, Renaissance and Baroque houses. Other important monuments are the Italian Court, late Gothic Stone House, church of St. Jacob, Jesuit College or monastery of St. Ursula.

You will certainly have something to look at during the visit.

KUTNÁ HORA

CHURCH OF ST. BARBARA

Barborská, Kutná Hora

The St. Barbara church is the ideal starting point in a visit to the city. This glorious Gothic sacral building is representative for Kutná Hora's claim to be at least as important as Prague. Interestingly enough the church shared a similar destiny as the St. Vitus Cathedral in Prague. The construction work started already in 1388, but because of the Hussite wars among other reasons it finally took till 1905 until the church was finished in Gothic revival style.

ALCHEMIST'S WORKSHOP

Palackého nám. 377, Kutná Hora
Phone: +420 327 512 378

In the center of Kutná Hora in Sankturin house on the square Palackého náměstí you can find the true alchemist's workshop, where waxy alchemists seek for the philosopher's stone and the elixir of eternal youth. It is not a mere attraction – the place and the existence of an alchemist's workshop is actually documented as early as the year 1480. The owner of the house had built an alchemist's workshop decorated with mystical ornaments in the first floor of house tower. In other rooms you can find kaleidoscopic cinema or a golem.

STONE FOUNTAIN

Rejskovo náměstí, Kutná Hora

This 'stone fountain', sensitively situated within the space of the square, belongs to jewels of the late gothic architecture. In addition, it is a unique monument of technical nature. Due to the intensive mining activity, Kutná Hora for many years grappled with the problem of drinking water supplies. The stone fountain, very tastefully placed in the square, is a fine example of Late Gothic architecture as well as a unique engineering relic.

JACK
LIVES HERE.

SINFUL NIGHT LIFE OF PRAGUE CITY

Why will be deluding ourselves. Every good capital, whose streets pulsate with life, must have beside restaurants, bars, cafes and shopping centers also (as the novelists say) the houses of love. And even Prague is no exception. But before we go into its streets, let's make a small historic revision.

It is no longer the rule that these places are for desperate individuals. Time progressed. You can forget the red neon lights, a company of doubtful quality and cheating customers. Although the movies are convincing us that the so-called night clubs are cheap sources of vice, many psychologists have the opposite view: the company straggles

with excessive shame and these clubs can be the right medicine.

When was the phenomenon of night clubs or prostitution itself actually born? Well, not for anything they say that it's the oldest profession of the world. It is probable that prostitution has evolved from religious belief and rituals which were held to celebrate the goddess of fertility in the Middle-Age. In the 19th century it was strongly developed and reached all segments of society from politics to high art (for example Vincent Van Gogh lived for years with a Flemish prostitute).

Even fifty years ago, half of the prostitutes were involuntary. This should already be over. The paradox is that there were previously only 10% of prostitutes educated; now the 50% of them are college students. This is an education reform!

We know that it's not easy to find the right company in which you can feel natural and comfortable. Indeed, there are lots of them and if you had to visit them all, it would cost you the whole wealth.

For this reason, we are showing few short "best of" tips in the following pages. We guarantee that you definitely won't be bored. The ride full of excitement and beautiful women is awaiting!

LOST IN TRANSLATION: HOW TO USE CZECH EXPRESSIONS

A Czech will not tell you to “go to hell/fuck off”...they will ask you to “go to the woods!” (Do háje/ Do Prčic).

A Czech does not blame things on “bad karma”...it’s more like “to shit in one’s shoes.” (Nasrat si do bot).

Czechs don’t “gate crash” or “party crash”...instead they “rub themselves in somewhere.” (Vetřit se někam).

For Czechs, something isn’t, “all Greek to me” but instead “a Spanish village to me.” (Je to pro mne španělská vesnice).

A Czech won’t say “It’s apples and oranges”...instead, it’s “a different kind of coffee.” (To je jiné kafe).

Czechs won’t say someone or something is “as useful as ”...they describe it more “as useful as an overcoat for the dead.” (Platný jak mrtvému zimník).

Czechs won’t call someone “absent minded”...they will say that person is “staring into stupid.” (čumět doblba).

Czechs don’t wake up “at the crack of dawn” ...they “get up with the chickens.” (Vstávat se slepicemi).

Czechs don’t get “speechless”...they “have a dumpling in one’s throat.” (Mít knedlík v krku).

A Czech will not admit to “besting” you... they will say they’ve “pushed you into their pocket.” (Strčit někoho do kapsy).

Czechs don’t “get into a pickle”... they are more likely “to be in the rice.” (Být v reži).

Czechs don’t “kill two birds with one stone”...they “kill two flies with one hit.” (Zabít dvě mouchy jednou ranou).

Czechs won’t say something is “messy”... it’s more like a “brothel.” (bordel).

Czechs don’t “put pressure” on you... they “put the knife on someone’s throat.” (Dát někomu nůž na krk).

Czechs don’t go to “stag parties/bachelor parties”...they go on a “men’s ride.” (Pán-ská jízda)

In the Czech Republic, it won’t “rain cats and dogs”... it “rains as if from a watering can” (Lije jako z konve).

Czechs don’t “cross their fingers” to wish good luck on someone...they “hold one’s thumbs.” (Držet (někomu) palce).

Czechs don’t “walkin into the lion’s den”...they “tease a snake with bare feet.” (Dráždit hada bosou nohou).

Czechs don’t “beat around the bush”... they “walk around hot porridge” (Chodit kolem horké kaše).

Czechs don’t get “fed up”...they “have their teeth full of it.” (Mám toho plné zuby).

Czechs will not wish you good luck by saying, “break a leg”...they will ask you rather to “break your neck.” (Zlom vaz).

IN WHICH CASES YOU HAVE TO BE !!!CAREFUL IN PRAGUE!!!

Prague is undoubtedly a beautiful city. It has a number of unique places where you can party all day and night. Complete paradise for tourists. And you know that paradise can easily become hell. Therefore, we bring you five tips on which cases you have to be careful.

1) Taxi drivers

This is the basis that applies absolutely in every big city. And Prague is not an exception. Of course, not every taxi driver is a thief. But as soon as a poorly paid driver (and it's not a dream job for sure) find a confused tourist, he immediately turns this opportunity to get some extra money from you. You should know that the whole city center takes just few kilometers and it's simply not possible that someone pays 800 CZK for the route from the Old Town Square to the Peace Square (náměstí Míru). For that kind of money you could get to town 20 minutes from Prague!

Always be careful and watch the taximeter and check the boarding amount. And now we are slowly getting to the point two.

2) Exchange offices

We can say that those are the taxi drivers in static booths. They are behind a Plexiglas and tastefully blabbering numbers you don't understand. Do not be lazy and find out the currency by yourself. You must be able to count a little and as a result

you can save a lot of money. If you are lazy to count, pull out a bank note and burn it. That will be the same effect as walking into the exchange office unprepared.

3) Small shops

There are a lot of small untrusted food shops in the center that value the goods 10 times more expensive than normal. Most of the time you can recognize them – they don't have price tags anywhere, their relatives fought in Vietnam War or they have contacts in Russia.

4) Around the Central Railway Station

There are places where even a born and raised Prague citizen doesn't dare to go after dark. The situation of the Central Railway Station is desperate. Every day you can see dozens of dubious existences sitting on the benches and spending time by sipping wine from boxes or another cheap alcohol. Among the Prague citizens the park is nicknamed as Sherwood. And it has its modern Robins Hood. The difference, however, is that they take everything from everybody. And that means that the fifth point is ...

5) Pickpockets

Pickpockets are everywhere and especially in Prague they have developed their noses for tourists. So be careful not to give them too much smell.
