FACTS & INFO

If you choose cheaper but less convenient public transport you have to expect fifty minutes on the road.

↓...BY PUBLIC TRANSPORTATION

The bus is the cheapest way to get to the city centre. The disadvantage may be that you need to buy a bus ticket paid in Czech crowns or with credit card. To get the cash, you can use ATMs in the arrival halls of the airport. Or you can buy the actual ticket directly in a kiosk or at the information counter in both arrival halls (open from 7:00 a.m. to 10:00 p.m.). Furthermore, in the vending machines, located next to the bus stop, or directly from the bus driver (it will cost you a few crowns more). The ticket price is 32 CZK for a transfer ticket, with which you can freely switch among bus, tram and subway for 90 minutes. On the shorter distance and duration of 30 minutes you can use the ticket for 24 CZK (with this ticket, however, it is not allowed to switch among the types of transport). If you have more luggages, you will pay 16 Czech crowns extra.

BUS # 119

This is the most likely choice for most people because the BUS # 119 provides the fastest connection to the historic city centre. Depending on the time of day, the bus runs every 7-20 minutes and gets you to subway line A. After boarding remember to „click“ the ticket. Get off at the station Velešlavín (journey from the airport to the subway takes about 15 minutes). Subway entrance is located few steps from the bus stop. The bus runs from 4:23 a.m. until 11:45 p.m. at night.

↓...НА ОБЩЕСТВЕННОМ ТРАНСПОРТЕ

Автобус это самый дешевый способ добраться до центра города. Недостатком может быть то, что вам придется купить билет на автобус, который нужно оплатить в чешских кронах. Снять деньги можно в банкоматах в зале прибытия. Сам билет можно купить в киосках в залах прилета (открыт с 7:00-22:00). Так же билет можно приобрести в автоматах которые находятся прямо на автобусной остановке или у водителя автобуса (в этом случае он может стоить немного дороже). Цена билета 32 кроны, этот билет действителен 90 минут, с ним вы можете совершать пересадки между автобусами, трамваями и метро. На короткие расстояния до 30 минут, можно использовать билет за 24 кроны. Если у вас большой багаж, то вам придется заплатить еще 16 крон.

АВТОБУС № 119

Автобус № 119 – выбор большинства людей обеспечивает быстрый доступ к историческому центра города. В зависимости от времени суток этот автобус ходит каждые 7-20 минут, и довезет вас прямо до станции метро А. Не забудьте пробить билет, зайдя в автобус. Выйдите на остановке Nádraží Velešlavín (весь путь от аэропорта до станции метро займет 15 минут). Вход в метро расположен сразу у автобусной остановки. Автобусы ходят с 4:23 утра до 23:45 ночи.

Most of the station is renovated and offers a modern look with plenty of stalls, shops and fast-food restaurants.

4. ARRIVAL TO PRAGUE BY CAR

Prague, like most European cities, suffers from very heavy traffic and lack of freely available parking spaces (the street with blue coloured areas are reserved for residents and you risk stripping off your car when you park there). Прага как и большинство европейских столиц, страдает очень большим потоком машин и нехваткой парковочных мест(улице с синей полосой зарезервированы для резидентов, поставив машину вы рискуете, что ее заберут). Это причина, почему мы рекомендуем вам пользоваться так называемыми P+ R (Park и Ride) парковка, которая находится недалеко от всех остальных дорог. FACTS & INFO

For over 1000 years, Prague has served as the political, cultural and economic centre of the Czech state. Having been the seat of two Holy Roman Emperors during the gothic and renaissance periods, it also had the status of the Holy Roman Empire capital. Prague's history commenced in the year 870, although evidence shows the area had been inhabited since the Stone Age. The city flourished during the 14th century, under the reign of King Charles IV, who, among other deeds, ordered the building of the famous Charles Bridge or Saint Vitus Cathedral, the oldest gothic cathedral in central Europe, and Charles University, the oldest university in central Europe. Prague was then the third-largest city in Europe. Now home to some 1.2 million inhabitants, Prague became the capital of the newly set up Czechoslovakia in 1918, with the end of WW I and the dissolution of the Austro-Hungarian Empire. In 1992, Prague's historic center became a UNESCO world heritage site, and is currently one of the world's most popular tourist destinations.

На протяжении более 1000 лет, Прага служит политическим, культурным и экономическим центром чешского государства. Она была пристольным городом двух императоров Священной Римской империи в готическом периоде и в эпохе Возрождения. Прага также имела статус столицы Священной Римской империи. История Праги началась в 870г., хотя есть сведения о том, что область была населена с периода каменного века. Город процветал в течение 14-го века, во времена правления короля Карла IV, который, наряду с другими проектами, приказал построить знаменитый Карлов мост, кафедральный готический собор Святого Вита, и Карлов университет - старейшие постройки в Центральной Европе. В то время Прага была третьим по величине городом Европы. Сейчас здесь проживает около 1,2 млн. человек. После окончания Первой мировой войны и распада Австро-Венгерской империи в 1918 году Прага стала столицей вновь созданной Чехословакии. В 1992 году исторический центр Праги стал принадлежать к Всемирному наследию ЮНЕСКО, и в настоящее время является одним из самых популярных туристических мест в мире.

CULTURE & EVENTS

GOLDEN EIGHTIES

I *I will speak with nostalgia, but nothing equals to the golden eighties. Certainly, since then, a number of film classics have emerged and many new music stars have emerged. But eighties were simply something else.*

There is no need to seek for a proof too far. Steven Spielberg's Ready Player One is going wild in cinemas being based on the book of the same name. The book became famous for its references to pop culture in the eighties and the adaptation holds to it.

What does the film show us? It shows how great time it was and that it greatly influenced (and still influences) the face of culture. I believe the younger generation will not understand it, but for the thirties, the Ready Player One cinema trip will be a dream come true. Will something like this arise, for example, about the culture of the new millennium? I would not bet too much on it. But I will be happy to be surprised. Besides even in the eighties no one thought of timelessness. We'll see..

SOLO: STAR WARS STORY

Action / Sci-fi, USA, 2018

Director: Ron Howard

Stars: Alden Ehrenreich, Woody Harrelson,

Release date: 24.5.2018

Studio promises a unique adventure with the most popular galactic smuggler. Through a series of courageous escapades deep inside the dark and dangerous criminal underworld, Han Solo will meet Chewbacca, his future co-pilot, and also well-known player, Land Calrissian, and embark on a journey that will determine the fate of Star Wars saga heroes. It is nice to listen to. Unfortunately, as we all know the production goes through a problematic evolution (letting go the original directors, costly rehearsals, acting coach for the main star), so being you, we would rather not expect too much from the result. But maybe the movie will pleasantly surprise us and we will fall in love with the new Solo.

FEEL LIKE IN HOLLYWOOD!

Although you won't find any Hollywood movie stars in the Czech streets, many of them were filming here. So you can make a picture of Czech sites that adorn a lot of famous Hollywood movies.

We have to start with the blockbuster *Mission: Impossible* from 1996 with Tom Cruise in the lead role. It was the first major Hollywood production that visited Prague and the filmmakers had used a number of gorgeous Prague scenes. The party at the embassy was filmed at the National Museum, the escape from modern glass restaurant (cover photo) on the Old Town Square. In this case, however, keep in mind that the restaurant itself doesn't exist – it was made just for the purpose of filming the movie.

After 15 years the production of *Mission: Impossible* returned to Prague, this with the fourth chapter – *Ghost Protocol*. They used the Main Railway Station (the opening scene with killed agent) or the corner house in the street Pštrossova 17, where Ethan Hunt ran from the police. In 2002 Anthony Hopkins and Chris Rock visited Prague together to shoot an action thriller *Bad Company*. Rock was chased

by bad guys in Thun Street in Lesser Town (Malá Štrana), Hopkins' agent went to help him through Castle stairs (Zámecké schody). Together they went to the Castle Square. They also used the Shooter's Island (Střelecký ostrov) in the Old Town (the scene with atomic bomb dealer).

Even the legendary vampire slayer Blade used the streets of Prague in his second adventure movie. From the entrance next to the pizzeria in the Sokolovská Street, the filmmakers made a vampire blood bank. And for the seat of vampire family Damaskinos they used secluded place of Vaníčkova Street.

possible task), then the camera wandered the Týnská Street, the Powder Gate, the Republic Square and the seat of the Czech philharmonic – Rudolfinum.

In 2004 our country was visited by Wolverine – Hugh Jackman, in those times without his comic book claws, but with his long coat and hat as Van Helsing. The battle in the village with three brides of Dracula (probably the best part of the movie) was filmed at the Kunratice Castle in Prague 4. Then the hero walks the street Na Kampě under the Charles Bridge, where

one of the brides offers him a trade. The magnificent ball of vampires was filmed in the Saint Nicholas Church.

This list of Hollywood hits, which included Prague to its scenes, naturally doesn't end. Furthermore, there were shot movies like The Bourne Identity (street Kampa, street of Political prisoners, the Senovážná square) or A Knight's Tale (Prague Castle, the Charles Bridge). Before the walk in our metropolis we recommend to watch all of these mentioned movies.

Are you planning a corporate party, or want to invite your business partners, want to experience something that they will not offer you anywhere else? It is definitely worth a trip to Horní Počernice where Praga Arena is home to the go-kart center.

Real gasoline machines on sports chassis are waiting for you on those tracks, where the passionate drivers can really enjoy maximally. However, even those less experienced do not have to be afraid to sit behind the wheel, after brief instruction they can safely go on track.

We strongly recommend organizing the endurance race in Le Mans style, with which you are sure that everyone will enjoy the fun. At the same time, there are up to 12 karts and more numerous (3-8 members) teams can constantly watch how they are doing

in their race. Alternating riders and inventing tactics is exactly what a person expects from team building.

Running on the track can be seen from a restaurant with a bar, in a pleasant environment with a burning grill. The restaurant with a capacity of 200 to 300 seats offers grilled specialties, desserts, varied drinks and many other specialties, all of which are of course dependent on the agreement. The modern background is equipped with LCD screens with a timer and projectors that can be used for projection at events.

There is no problem in arranging practically anything at parties. The premises of the restaurant are also sufficient for the band to play here during your event, and there can also be other attractions, which can be ordered by agreement. You can also play billiards or darts on site.

Praga Arena combines ideal space for larger and more modest events, excellent service, and long entertainment. If you

are looking for a corporate party that will be everything possible, just not boring, you have no reason to hesitate a minute. However, it is good to book ahead. The most demanding dates, especially during corporate parties, are hopelessly occupied.

As far as the location is concerned, Praga Arena is situated in Horní Počernice, where you can easily reach either by car or bus from the Černý Most metro (the journey takes only a few minutes). It is also worth mentioning its own large parking lot in front of the complex.

The Prague Arena, of course, is not there just for corporate events and big parties. You can definitely go to the area with just a few friends. The experience you gain is worth it. You will not find better karts anywhere in Prague.

PIKNIK PARK

- A FRESH BREEZE IN MALÁ STRANA

T

here are many attractions and so-called tourist traps near famous Charles Bridge. And there's also a lot of commotion. Where

can one enjoy the beauty of the old city and not have to push and shove through the crowds of curious visitors? Without a doubt in Piknik Park.

The recently opened Piknik Park restaurant is located in the heart of Malá Strana, just a few steps from Charles Bridge and Lennon's Wall, right on the banks of Čertovka. Čertovka in Prague is a place that separates Kampa from the rest of Malá Strana. It is an artificially created water channel that was built back in the twelfth century and still astonishes with its beautiful conception. Piknik Park is situated right at Čertovka, so the view is truly unique.

The interior of the enterprise is above reproach. It is a new, completely renovated place, designed with feeling and is quite intimate. The restaurant and garden holds a few dozen people, which I personally see as a great positive. Large businesses give off a much less personal impression, and one often feels like they are in a factory cafeteria.

The restaurant menu is focused on Italian cuisine. This is a somewhat unusual choi-

ce for the center of Prague. But it makes sense. The pursuit of a typical Czech meal has become the nonsensical mantra of many Prague businesses, and the gastronomy has stagnated in recent years as a result. Not to mention that although Czech cuisine is excellent without debate and has many advantages, at the same time it is very heavy and can't be eaten all the time (in the sense that one likes to have it out of curiosity but then prefers something lighter). The pure Italian cuisine is therefore a breath of fresh air in Prague, and in this case also an authentic one. Piknik Park has two Italian cooks under its thumb, all the dishes are made of high quality and fresh ingredients and always according to the best traditions of Italian cuisine.

Due to the focus on Italian cuisine, it is not surprising that the beverage menu isn't dominated by beer (but of course, it's on tap there). On the contrary, wine plays a primary role, which is delivered by the Vínová Hruška winery. A stylish wine shop is part of the restaurant and people can hear the offer there. There is really a large selection, the wines are delicious, and if you would like to have a glass with your meal (or even a few), it would be a big mistake to go over the offer there and not taste anything. Even though Czech wines clearly dominate the offer, there are, of course, also foreign wines.

In spite of its location in the heart of Malá Strana, Piknik Park does not have any excessive prices (which also applies to the wines where a whole bottle is priced in the hundreds of crowns). What, on the contrary, Piknik Park has - and it is a real rarity in these parts - is a year-round garden. Something like that is not common in Prague, and it's a tremendous shame. Of course, it is worth visiting the city even in colder weather, and there is no reason to hide from it. In order for the garden to be a year-round garden, it has thermal heaters.

Once again, Picnic Park is out of the ordinary, it is also thanks to the live music on the terrace (**playing every day!**). It is usually created by two musicians (such as a violinist and a guitar player) which gives the atmosphere of the place a truly unique touch. It's almost like from a movie - a romantic retreat in a beautiful city, excellent food, a candle on the table, and pleasant, unobtrusive and yet intoxicating background music. There is something magical about it.

It's no problem to go without a reservation to Piknik Park, but if you're preparing to go there in the evening, a reservation won't hurt. Due to its location and excellent gastronomy, it's a place that's very popular not only with tourists but also with Prague residents, despite its short existence.

Of course, it is also possible to rent the whole space for a private event. However, in that case it is good to think ahead and make a reservation in time. In the case of a reception, you do not have to stick to Italian cuisine - the chefs will be happy to hear any of your wishes.

Every city is in a way „hostage“ to supply and demand. It demonstrates the trend and, to a great extent, it may stifle originality. Piknik Park goes its own way. It offers a place that is not afraid to be elegant, affordable at the same time, with refreshing cuisine and a location that is popular for its scenic walks. You will certainly not lose out by visiting.

SINFUL NIGHT LIFE OF PRAGUE CITY

Why will be deluding ourselves. Every good capital, whose streets pulsate with life, must have beside restaurants, bars, cafes and shopping centers also (as the novelists say) the houses of love. And even Prague is no exception. But before we go into its streets, let's make a small historic revision.

It is no longer the rule that these places are for desperate individuals. Time progressed. You can forget the red neon lights, a company of doubtful quality and cheating customers. Although the movies are convincing us that the so-called night clubs are cheap sources of vice, many psychologists have the opposite view: the company struggles with excessive shame and these clubs can be the right medicine.

When was the phenomenon of night clubs or prostitution itself actually born?

Well, not for anything they say that it's the oldest profession of the world. It is probable that prostitution has evolved from religious belief and rituals which were held to celebrate the goddess of fertility in the Middle-Age. In the 19th century it was strongly developed and reached all segments of society from politics to high art (for example Vincent Van Gogh lived for years with a Flemish prostitute).

Even fifty years ago, half of the prostitutes were involuntary. This should already be over. The paradox is that there were previously only 10% of prostitutes educated; now the 50% of them are college students. This is an education reform!

We know that it's not easy to find the right company in which you can feel natural and comfortable. Indeed, there are lots of them and if you had to visit them all, it would cost you the whole wealth.

For this reason, we are showing few short "best of" tips in the following pages. We guarantee that you definitely won't be bored. The ride full of excitement and beautiful women is awaiting!

LOST IN TRANSLATION: HOW TO USE CZECH EXPRESSIONS

A Czech will not tell you to “go to hell/fuck off”...they will ask you to “go to the woods!” (Do háje/ Do Prčic).

A Czech does not blame things on “bad karma”...it’s more like “to shit in one’s shoes.” (Nasrat si do bot).

Czechs don’t “gate crash” or “party crash”...instead they “rub themselves in somewhere.” (Vetřít se někam).

For Czechs, something isn’t, “all Greek to me” but instead “a Spanish village to me.” (Je to pro mne španělská vesnice).

A Czech won’t say “It’s apples and oranges”...instead, it’s “a different kind of coffee.” (To je jiné kafe).

Czechs won’t say someone or something is “as useful as ”...they describe it more “as useful as an overcoat for the dead.” (Platný jak mrtvýmu zimník).

Czechs won’t call someone “absent minded”...they will say that person is “staring into stupid.” (čumět do blba).

Czechs don’t wake up “at the crack of dawn” ...they “get up with the chickens.” (Vstávat se slepicemi).

Czechs don’t get “speechless”...they “have a dumpling in one’s throat.” (Mít knedlík v krku).

A Czech will not admit to “besting” you... they will say they’ve “pushed you into their pocket.” (Strčit někoho do kapsy).

Czechs don’t “get into a pickle”... they are more likely “to be in the rice.” (Být v reži).

Czechs don’t “kill two birds with one stone”...they “kill two flies with one hit.” (Zabít dvě mouchy jednou ranou).

Czechs won’t say something is “messy”... it’s more like a “brothel.” (bordel).

Czechs don’t “put pressure” on you... they “put the knife on someone’s throat.” (Dát někomu nůž na krk).

Czechs don’t go to “stag parties/bachelor parties”...they go on a “men’s ride.” (Pán-ská jízda)

In the Czech Republic, it won’t “rain cats and dogs”... it “rains as if from a watering can” (Lije jako z konve).

Czechs don’t “cross their fingers” to wish good luck on someone...they “hold one’s thumbs.” (Držet (někomu) palce).

Czechs don’t “walkin into the lion’s den”...they “tease a snake with bare feet.” (Dráždit hada bosou nohou).

Czechs don’t “beat around the bush”... they “walk around hot porridge” (Chodit kolem horké kaše).

Czechs don’t get “fed up”...they “have their teeth full of it.” (Mám toho plné zuby).

Czechs will not wish you good luck by saying, “break a leg”...they will ask you rather to “break your neck.” (Zlom vaz).
