ROXY
P R A G U E

A club at the right address

Theater, exhibitions and concerts galore. Prague's Roxy Club, which has been presenting the best Czech and foreign artists to Prague for more than a quarter of a century has all this and much more. Roxy is one of the best clubs in the Czech Republic and is coveted by visitors of all ages and different musical styles.

It's a place that can win you over in a countless number of ways. Its undoubted advantage is that it is located on Dlouh  Street, near Republic Square. The beautiful spaces and personable staff certainly score some points, but I personally most enjoy the atmosphere. It is distinctive, original, has its own style and is never the same. The spirit of the whole club changes a bit with each event.

Like every year, Roxy is also offering a packed summer music program this year as well. There are an abundant number of known names on it, so keep a close watch on the club's official site. It would be a mistake not to be a part of it this summer.

ROXY

P R A G U E

The Roxy has had a great history. The space has existed as such since 1927 when there was a cinema on the site of today's club. The architect who designed it emigrated to the US before the war and built an identical space in New York with the same name.

The Roxy boasts several awards and is one of the top 100 best clubs in the world.

Global stars of both house and techno music have grown up with the Roxy and the drum & bass labels Hospital and RAM reached their peak there.

Prague of Charles IV Mediavel Town

Multimedia Exhibition

House at the Golden Ring

Týnská 630/6

Prague 1 – Old Town

Opening Hours:

Tue–Sun, 9 am–8 pm

The second stage of the exhibition completes the extant part focusing on the changes of the towns of Prague until about 1400. This time, the emphasis is on the life of the medieval inhabitants, especially their private life in a medieval house. The new videomapping of Charles Square shows its medieval housing development and its function, while new visualisations illustrate the importance of the river, fords and bridges for the medieval town as well as the administration of the towns. The fortification of Prague is also highlighted.

FACTS & INFO

If you choose cheaper but less convenient public transport you have to expect fifty minutes on the road.

↓...BY PUBLIC TRANSPORTATION

The bus is the cheapest way to get to the city centre. The disadvantage may be that you need to buy a bus ticket paid in Czech crowns or with credit card. To get the cash, you can use ATMs in the arrival halls of the airport. Or you can buy the actual ticket directly in a kiosk or at the information counter in both arrival halls (open from 7:00 a.m. to 10:00 p.m.). Furthermore, in the vending machines, located next to the bus stop, or directly from the bus driver (it will cost you a few crowns more). The ticket price is 32 CZK for a transfer ticket, with which you can freely switch among bus, tram and subway for 90 minutes. On the shorter distance and duration of 30 minutes you can use the ticket for 24 CZK (with this ticket, however, it is not allowed to switch among the types of transport). If you have more luggages, you will pay 16 Czech crowns extra.

BUS # 119

This is the most likely choice for most people because the BUS # 119 provides the fastest connection to the historic city centre. Depending on the time of day, the bus runs every 7-20 minutes and gets you to subway line A. After boarding remember to „click“ the ticket. Get off at the station Velešlavín (journey from the airport to the subway takes about 15 minutes). Subway entrance is located few steps from the bus stop. The bus runs from 4:23 a.m. until 11:45 p.m. at night.

↓...НА ОБЩЕСТВЕННОМ ТРАНСПОРТЕ

Автобус это самый дешевый способ добраться до центра города. Недостатком может быть то, что вам придется купить билет на автобус, который нужно оплатить в чешских кронах. Снять деньги можно в банкоматах в зале прибытия. Сам билет можно купить в киосках в залах прилета (открыт с 7:00-22:00). Так же билет можно приобрести в автоматах которые находятся прямо на автобусной остановке или у водителя автобуса (в этом случае он может стоить немного дороже). Цена билета 32 кроны, этот билет действителен 90 минут, с ним вы можете совершать пересадки между автобусами, трамваями и метро. На короткие расстояния до 30 минут, можно использовать билет за 24 кроны. Если у вас большой багаж, то вам придется заплатить еще 16 крон.

АВТОБУС № 119

Автобус № 119 – выбор большинства людей обеспечивает быстрый доступ к историческому центра города. В зависимости от времени суток этот автобус ходит каждые 7-20 минут, и довезет вас прям до станции метро А. Не забудьте пробить билет, зайдя в автобус. Выйдите на остановке Nádraží Velešlavín (весь путь от аэропорта до станции метро займет 15 минут). Вход в метро расположен сразу у автобусной остановки. Автобусы ходят с 4:23 утра до 23:45 ночи.

Most of the station is renovated and offers a modern look with plenty of stalls, shops and fast-food restaurants.

Florenc is the central bus station. Located in the heart of the city and directly adjacent to the subway station Florenc (it is a transfer station between subway lines B and C). As well as the main train

4. ARRIVAL TO PRAGUE BY CAR

Prague, like most European cities, suffers from very heavy traffic and lack of freely available parking spaces (the street with blue coloured areas are reserved for residents and you risk stripping off your car when you park there). Прага как и большинство европейских столиц, страдает очень большим потоком машин и нехваткой парковочных мест(улицы с синей полосой зарезервированы для резидентов, поставив машину вы рискуете, что ее заберут). Это причина, почему мы рекомендуем вам пользоваться так называемыми P+ R (Park и Ride) парковка, которая находится недалеко от всех остальных дорог. Более подробная информация на сайте www.dpp.cz/en/parking.

FACTS & INFO

For over 1000 years, Prague has served as the political, cultural and economic centre of the Czech state. Having been the seat of two Holy Roman Emperors during the gothic and renaissance periods, it also had the status of the Holy Roman Empire capital. Prague's history commenced in the year 870, although evidence shows the area had been inhabited since the Stone Age. The city flourished during the 14th century, under the reign of King Charles IV, who, among other deeds, ordered the building of the famous Charles Bridge or Saint Vitus Cathedral, the oldest gothic cathedral in central Europe, and Charles University, the oldest university in central Europe. Prague was then the third-largest city in Europe. Now home to some 1.2 million inhabitants, Prague became the capital of the newly set up Czechoslovakia in 1918, with the end of WW I and the dissolution of the Austro-Hungarian Empire. In 1992, Prague's historic center became a UNESCO world heritage site, and is currently one of the world's most popular tourist destinations.

На протяжении более 1000 лет, Прага служит политическим, культурным и экономическим центром чешского государства. Она была пристольным городом двух императоров Священной Римской империи в готическом периоде и в эпохе Возрождения. Прага также имела статус столицы Священной Римской империи. История Праги началась в 870г., хотя есть сведения о том, что область была населена с периода каменного века. Город процветал в течение 14-го века, во времена правления короля Карла IV, который, наряду с другими проектами, приказал построить знаменитый Карлов мост, кафедральный готический собор Святого Вита, и Карлов университет - старейшие постройки в Центральной Европе. В то время Прага была третьим по величине городом Европы. Сейчас здесь проживает около 1,2 млн. человек. После окончания Первой мировой войны и распада Австро-Венгерской империи в 1918 году Прага стала столицей вновь созданной Чехословакии. В 1992 году исторический центр Праги стал принадлежать к Всемирному наследию ЮНЕСКО, и в настоящее время является одним из самых популярных туристических мест в мире.

TALK ABOUT TENACITY

Making art is sometimes a true battle, as evidenced by the new film by Terry Gilliam *The Man who killed Don Quixote*. No, it's not the best thing you'll see in cinemas over the summer. But you definitely shouldn't miss it.

Why not? Because it took the famed director an unbelievable 18 years to put this ill-fated project together and such tenacity deserves recognition! Gilliam tried to make *Don Quixote* as early as 2000 and the filming met with such unbelievable misfortune and a variety of problems that the documentary *Lost in La Mancha* was created based on it.

The shooting of the film wasn't able to be finished until now, of course with other actors. Therefore, even if it is the worst thing Gilliam has ever made, it deserves your attention. Such determination must be appreciated and respected. And perhaps despite its unfavorable fate, it will inspire you to accomplish something monumental over the summer months.

THE FIRST PURGE

Horror / Thriller / Action, USA, 2018

Director: Gerard McMurray

Stars: Melonie Diaz, Marisa Tomei, Lex Scott Davis, Steve Harris, Lauren Vélez, Mo'Nique

Release date: 5.7.2018

Horror sequels usually have a downward tendency as far as quality goes. This doesn't hold true for *Purge*. After an interesting, but unnecessarily restrained first part, the second part went bravely into

the world and it paid off. It was an even bigger hit and much better reviewed as well. The third part also performed admirably, again managing to top the earnings of its predecessor, with many viewers saying it was the best part of the series. James DeMonaco, screenwriter and director of the entire series, has therefore come up with a work called *First Purge*. As the name suggests, this time we jump back a few years earlier in the story to find out how this unusually bloody and brutal holiday managed to start.

ANT-MAN A WASP

Action / Adventure, USA, 2018

Director: Peyton Reed

Stars: Paul Rudd, Evangeline Lilly, Michael Douglas, Michelle Pfeiffer, Michael Peña

Release date: 5.7.2018

Although he may be the smallest, he has the greatest sense of humor. The film world of Marvel studios has added the picture Ant-Man and Wasp, which is a new chapter on the shrinking superhero according to the events in Captain America: Scott Lang must face a Civil war as the consequences of his decisions not only as a superhero but also a father. Just as he was able to find a balance between his personal life and the duties he has as Ant-Man, Hope van Dyne and Dr. Hank Pym appear with a new urgent mission. Scott has to put on his shrinking suit again, learn to fight alongside Wasp and help her uncover the secrets of the past.

SKYSCRAPER

Adventure / Action, USA, 2018

Director: Rawson Marshall Thurber

Stars: Dwayne Johnson, Pablo Schreiber, Neve Campbell, Noah Taylor, Roland Miller

Release date: 12.7.2018

There is an unwritten screenwriting rule that if one genre idea does not seem to be sufficiently supportive (or you cannot build a whole movie on it), you just add something completely from elsewhere and ideally connect it as inconspicuously as possible. In the case of Skyscraper, the filmmakers took two classic Hollywood pieces - the catastrophic Towering Inferno and the action film Die Hard - and whipped up one film from them. We can only guess at this point how it will work. But the trailers promised a big ride, and Dwayne Johnson has recently been moving from hit to hit.

THE MAN WHO KILLED DON QUIXOTE

Adventure, SP / GB, 2018

Director: Terry Gilliam

Stars: Adam Driver, Jonathan Pryce, Olga Kurylenko, Stellan Skarsgård, Jason Watkins

Release date: 5.7.2018

The legendary director Terry Gilliam (12 monkeys, The Fisher King, Monty Python, and the Holy Grail) already tried to shoot The Man Who Killed Don Quixote once. And he had such unbelievable misfortune with it that only a documentary about all

the mishaps that occurred was created about it. After 18 years, Gilliam has finally managed to do it and finished his Don Quixote (although he had to settle for new actors and start from scratch). Jonathan Pryce will star in the lead role of the legendary novelist and dreamer.

MAMMA MIA: HERE WE GO AGAIN

Musical / Comedy, USA, 2018

Director: Ol Parker

Stars: Amanda Seyfried, Lily James, Meryl Streep, Colin Firth, Pierce Brosnan, Stellan Skarsgård, Dominic Cooper, Andy Garcia

Release date: 19.7.2018

Five years after the events of *Mamma Mia!* on the Greek island of Kalokairi, Sophie (Amanda Seyfried) is pregnant with Sky's (Dominic Cooper) child while running her mother's (Meryl Streep) villa. Her relationship with Sky has been turbulent and complicated for a while. Self-conflicted and

worried that she can't do it by herself without her mother around, but with Tanya (Christine Baranski) and Rosie's (Julie Walters) guidance, Sophie will find out more of Donna's past. It is the sequel and prequel to the 2008 film *Mamma Mia!*, which is based on the musical of the same name.

PRAGUE PROMS: ENNIO MORRICONE

Obecní dům, Prague 7

Price: from 3130 Kč

15.7.2018

Almost seven years have elapsed since the legendary music composer Ennio Morricone first arrived in Prague at the invitation of Prague Proms, and he has built an extraordinarily strong relationship with the Czech National Symphony Orchestra during that time. In addition to concerts in Prague's O2 arena, he has been to most European countries together with Czech musicians and has won several awards, including the Oscar. This time he returns with the *Musica Assoluta* program, which will also feature some of his symphonic works besides his film music.

HEREDITARY

Drama / Horror, USA, 2018

Director: Ari Aster

Stars: Toni Collette, Gabriel Byrne, Alex Wolff, Milly Shapiro, Ann Dowd, Mallory Bechtel, Jarrod Phillips, Austin R. Grant

Release date: 19.7.2018

This year, it seems, the horror genre will treat us well. First of all, we waited to see the phenomenally reviewed *A Quiet Place*, and even though everyone predicted it to be the best horror of the year, a conqueror was found in the end. And we didn't even have to wait very long for it. It's called *Hereditary*, and its story is as

follows: After the death of their matriarch grandmother, the family finds itself without its domineering influence and cannot cope with it. The reclusive granddaughter Charlie has always been fascinated by her grandmother, and after her death, her shadow falls upon her. A dark genetic heritage gradually comes to the surface.

THE MEG

Action / Horror / Sci-fi, USA, 2018
Director: Jon Turteltaub
Stars: Jason Statham, Ruby Rose, Robert Taylor, Cliff Curtis, Rainn Wilson, Bingbing Li, Masi Oka, Ólafur Darri Ólafsson
Release date: 9.8.2018

A deep-water submarine has been attacked by a giant creature that was considered extinct and is now lying on the bottom of the deepest undersea trench in the Pacific ... with the crew trapped in the damaged submarine. With time running out, the visionary Chinese oceanogra-

pher, despite the wishes of his daughter, Suyin, hires the experienced underwater rescuer Jonathan Taylor (Jason Statham), to rescue the crew of the submarine - and the ocean itself - from an unstoppable threat: a nearly 29-meter long prehistoric shark, known as a megalodon.

MISSION: IMPOSSIBLE - FALLOUT

Action / Thriller, USA, 2018
Director: Christopher McQuarrie
Stars: Tom Cruise, Rebecca Ferguson, Henry Cavill, Vanessa Kirby, Alec Baldwin
Release date: 2.8.2018

Ethan Hunt must embark on another dangerous mission. This time, however, he is a target, with a lot of people out to get him, and quite possibly - if he wants to survive - he will stop playing fair. Again, a grand adventure awaits us which will again raise the bar of the series. It is set really high (at least as far as the performance of the main star is concerned). On account of his previous mission, Cruise managed to hold his breath under water for six and a half minutes and allowed himself to be fastened to the hull of a plane that actually took off. This time, the actor decided to pilot a helicopter action scene himself (in order to do that he had to fly 2000 hours in a relatively short time).

EQUALIZER 2

Action / Krimi / Thriller, USA, 2018
Director: Antoine Fuqua
Stars: Denzel Washington, Pedro Pascal, Bill Pullman, Melissa Leo, Sakina Jaffrey, Jonathan Scarfe, Lexie Roth
Release date: 16.8.2018

In 2014, Denzel Washington starred as the avenger Robert McCall in the solid R-rated B-movie Equalizer, which was a decent hit (budget \$ 55 million, worldwide sales of 192). So, it's no wonder that a sequel came out. If you thought that Washington's „hobby house hero“ was a real serious tough guy in the first part, he was just getting started. This time, a true feast awaits us. And the story? Robert McCall still combines his civil life with the struggle for the rights and justice for others (which in practice means that he will truly punish the bad guys). When they kill Susan Plummer (Melissa Leo), who he was close to, Robert seeks revenge.

FEEL LIKE IN HOLLYWOOD!

Although you won't find any Hollywood movie stars in the Czech streets, many of them were filming here. So you can make a picture of Czech sites that adorn a lot of famous Hollywood movies.

We have to start with the blockbuster *Mission: Impossible* from 1996 with Tom Cruise in the lead role. It was the first major Hollywood production that visited Prague and the filmmakers had used a number of gorgeous Prague scenes. The party at the embassy was filmed at the National Museum, the escape from modern glass restaurant (cover photo) on the Old Town Square. In this case, however, keep in mind that the restaurant itself doesn't exist – it was made just for the purpose of filming the movie.

After 15 years the production of *Mission: Impossible* returned to Prague, this with the fourth chapter – *Ghost Protocol*. They used the Main Railway Station (the opening scene with killed agent) or the corner house in the street Pštrossova 17, where Ethan Hunt ran from the police. In 2002 Anthony Hopkins and Chris Rock visited Prague together to shoot an action thriller *Bad Company*. Rock was chased

by bad guys in Thun Street in Lesser Town (Malá Štrana), Hopkins' agent went to helmet him through Castle stairs (Zámecké schody). Together they went to the Castle Square. They also used the Shooter's Island (Střelecký ostrov) in the Old Town (the scene with atomic bomb dealer).

Even the legendary vampire slayer Blade used the streets of Prague in his second adventure movie. From the entrance next to the pizzeria in the Sokolovská Street, the filmmakers made a vampire blood bank. And for the seat of vampire family Damaskinos they used secluded place of Vaníčková Street.

possible task), then the camera wandered the Týnská Street, the Powder Gate, the Republic Square and the seat of the Czech philharmonic – Rudolfinum.

In 2004 our country was visited by Wolverine – Hugh Jackman, in those times without his comic book claws, but with his long coat and hat as Van Helsing. The battle in the village with three brides of Dracula (probably the best part of the movie) was filmed at the Kunratice Castle in Prague 4. Then the hero walks the street Na Kampě under the Charles Bridge, where

one of the brides offers him a trade. The magnificent ball of vampires was filmed in the Saint Nicholas Church.

This list of Hollywood hits, which included Prague to its scenes, naturally doesn't end. Furthermore, there were shot movies like The Bourne Identity (street Kampa, street of Political prisoners, the Senovážná square) or A Knight's Tale (Prague Castle, the Charles Bridge). Before the walk in our metropolis we recommend to watch all of these mentioned movies.

Are you planning a corporate party, or want to invite your business partners, want to experience something that they will not offer you anywhere else? It is definitely worth a trip to Horní Počernice where Praga Arena is home to the go-kart center.

Real gasoline machines on sports chassis are waiting for you on those tracks, where the passionate drivers can really enjoy maximally. However, even those less experienced do not have to be afraid to sit behind the wheel, after brief instruction they can safely go on track.

We strongly recommend organizing the endurance race in Le Mans style, with which you are sure that everyone will enjoy the fun. At the same time, there are up to 12 karts and more numerous (3-8 members) teams can constantly watch how they are doing

in their race. Alternating riders and inventing tactics is exactly what a person expects from team building.

Running on the track can be seen from a restaurant with a bar, in a pleasant environment with a burning grill. The restaurant with a capacity of 200 to 300 seats offers grilled specialties, desserts, varied drinks and many other specialties, all of which are of course dependent on the agreement. The modern background is equipped with LCD screens with a timer and projectors that can be used for projection at events.

There is no problem in arranging practically anything at parties. The premises of the restaurant are also sufficient for the band to play here during your event, and there can also be other attractions, which can be ordered by agreement. You can also play billiards or darts on site.

Praga Arena combines ideal space for larger and more modest events, excellent service, and long entertainment. If you

are looking for a corporate party that will be everything possible, just not boring, you have no reason to hesitate a minute. However, it is good to book ahead. The most demanding dates, especially during corporate parties, are hopelessly occupied.

As far as the location is concerned, Prague Arena is situated in Horní Počernice, where you can easily reach either by car or bus from the Černý Most metro (the journey takes only a few minutes). It is also worth mentioning its own large parking lot in front of the complex.

The Prague Arena, of course, is not there just for corporate events and big parties. You can definitely go to the area with just a few friends. The experience you gain is worth it. You will not find better karts anywhere in Prague.

PIKNIK PARK

- A FRESH BREEZE IN MALÁ STRANA

The recently opened Piknik Park restaurant is located in the heart of Mala Strana, just a few steps from Charles Wall. Piknik Park is situated right by Certovka, so the view is truly unique.

The interior of the business is beyond reproach. This is a new, completely renovated space, designed with sensitivity and is more intimate. The restaurant and the garden can accommodate a few dozen people, which I personally perceive as a big plus. Large businesses have a substantially less personal impression, and one often feels like in a factory cafeteria in them.

The restaurant menu is focused on Italian cuisine. This is - true - a somewhat unusual choice in the center of Prague. But it makes sense. The quest for typical Czech fare has become a nonsensical mantra of many Prague businesses and gastronomy has been stagnating in recent years thanks to it. The pure Italian cuisine is therefore a fresh breeze in Prague, and in this case also an authentic one. In Piknik Park, two Italian cooks are in control of the cuisine, all the dishes are made from high quality and fresh ingredients and always according to the best traditions of Italian cuisine.

Due to the Italian cuisine, it is not surprising that the drink menu is not domi-

nated by beer (but of course, it is also on tap there). On the contrary, wine which is delivered to the restaurant by the winery Vino Hruška, plays a key role. Part of the restaurant is a stylish vinothèque and although Czech wines clearly dominate the offer, there are, of course, also foreign wines

In spite of its location in the heart of Mala Strana, Piknik Park does not have any exorbitant prices (which holds true for wines as well, where a whole bottle is priced in the hundreds of crowns). What, on the contrary, Piknik Park has - and it is a real rarity in this area - is a year-round garden, which includes thermal heaters.

Piknik Park stands out on account of one more minor detail: live music on the terrace (played every day from 7:00 pm). It is usually played by two musicians (such as a violinist and a guitar player) and gives the atmosphere of the place a truly unique touch.

It's no problem going to Piknik Park without a reservation, but if you are planning to go there in the evening, a reservation won't hurt. Of course, there is the possibility to rent the whole space for a private event, while in the case of a banquet you do not have to restrict yourself to just Italian cuisine.

Every city is held „hostage“ to supply and demand in some way. This dictates the trend and, to a great extent, it may suppress originality. Piknik Park goes its own way. It offers a place that is not afraid to be elegant, affordable at the same time, with refreshing cuisine and a location that is popular for its scenic walks. You certainly won't go wrong with visiting it.

MAIN THEME

SINFUL NIGHT LIFE OF PRAGUE CITY

Every good capital, whose streets pulsate with life, must have beside restaurants, bars, cafes and shopping centers also (as the novelists say) the houses of love. Prague is no exception.

When was the phenomenon of night clubs or prostitution itself actually born? Well, not for anything they say that it's the oldest profession of the world. It is probable that prostitution has evolved from religious belief and rituals which were held to celebrate the goddess of fertility in the Middle-Age. In the 19th century it was strongly developed and reached all segments of society from politics to high art

(for example Vincent Van Gogh lived for years with a Flemish prostitute).

Even fifty years ago, half of the prostitutes were involuntary. This should already be over. The paradox is that there were previously only 10% of prostitutes educated; now the 50% of them are college students. This is an education reform!

We know that it's not easy to find the right company in which you can feel natural and comfortable. Indeed, there are lots of them and if you had to visit them all, it would cost you the whole wealth.

For this reason, we are showing few short "best of" tips in the following pages. We guarantee that you definitely won't be bored. The ride full of excitement and beautiful women is awaiting!

LOST IN TRANSLATION: HOW TO USE CZECH EXPRESSIONS

A Czech will not tell you to “go to hell/fuck off”...they will ask you to “go to the woods!” (Do háje/ Do Prčíc).

A Czech does not blame things on “bad karma”...it’s more like “to shit in one’s shoes.” (Nasrat si do bot).

Czechs don’t “gate crash” or “party crash”...instead they “rub themselves in somewhere.” (Vetrít se někam).

For Czechs, something isn’t, “all Greek to me” but instead “a Spanish village to me.” (Je to pro mne španělská vesnice).

A Czech won’t say “It’s apples and oranges”...instead, it’s “a different kind of coffee.” (To je jiné kafe).

Czechs won’t say someone or something is “as useful as ”...they describe it more “as useful as an overcoat for the dead.” (Platný jak mrtvýmú zimník).

Czechs won’t call someone “absent minded”...they will say that person is “staring into stupid.” (čumět do blba).

Czechs don’t wake up “at the crack of dawn” ...they “get up with the chickens.” (Vstávat se slepicemi).

Czechs don’t get “speechless”...they “have a dumpling in one’s throat.” (Mít knedlík v krku).

A Czech will not admit to “besting” you... they will say they’ve “pushed you into their pocket.” (Strčit někoho do kapsy).

Czechs don’t “get into a pickle”... they are more likely “to be in the rice.” (Být v rěji).

Czechs don’t “kill two birds with one stone”...they “kill two flies with one hit.” (Zabit dvě mouchy jednou ranou).

Czechs won’t say something is “messy”... it’s more like a “brothel.” (bordel).

Czechs don’t “put pressure” on you... they “put the knife on someone’s throat.” (Dát někomu nůž na krk).

Czechs don’t go to “stag parties/bachelor parties”...they go on a “men’s ride.” (Pánšská jízda)

In the Czech Republic, it won’t “rain cats and dogs”... it “rains as if from a watering can” (Lije jako z konve).

Czechs don’t “cross their fingers” to wish good luck on someone...they “hold one’s thumbs.” (Držet (někomu) palce).

Czechs don’t “walkin into the lion’s den”...they “tease a snake with bare feet.” (Dráždit hada bosou nohou).

Czechs don’t “beat around the bush”... they “walk around hot porridge” (Chodit kolem horké kaše).

Czechs don’t get “fed up”...they “have their teeth full of it.” (Mám toho plné zuby).

Czechs will not wish you good luck by saying, “break a leg”...they will ask you rather to “break your neck.” (Zlom vaz).
