White Horse Restaurant in Prague is located in the stunning 12th century medieval cellars of one of the oldest houses on the Old Town Square. White Horse has modern furnishings, with an emphasis on glass and dark woods; creatively blended into an array of alcoves and open spaces, and spread over several levels. The restaurant serves mainly international cuisine, but has some nice traditional Czech food on the menu as well. Meals are prepared from high quality ingredients with an emphasis on seasonal products. The wine list includes a few Czech bottles, along with wines from France, Germany, Italy, Austria and Spain. If wish to try out the Czech house wines, which are good, it can work out better value to order by the glass. White Horse is informal and will suit all types of diner, with contemporary background music adding atmosphere, but kept low to allow for conversation. Most nights of the week things get livelier from 8.00 pm onwards as a live band. Music varies from day to day, ranging from Latin music to Jazz & Blues.

↓ 1. ARRIVING IN PRAGUE BY PLANE

The airport is located on the northwest edge of Prague, some 20km (12 miles) from the city center. Although Prague boasts other, smaller airports, all international flights operate through Václav Havel Airport Prague. Important related phone numbers include +420 220 113 314 (general info), +420 220 116 072 (baggage claim) and +420 220 114 283 (lost & found).

↓ 1. ПРИБЫТИЕ В ПРАГУ НА САМОЛЕТЕ

Аэропорт расположен на северозападной окраине Праги, приблизительно в 20 км от центра города. Хотя Прага может похвастаться другими, меньшими аэропортами, все международные рейсы осуществляются через аэропорт Рузине. Необходимыми телефонными номерами являются +420 220 113 314 (общая информация), +420 220 116 072 (багаж) и +420 220 114 283 (стол находок).

↓ GETTING TO THE CITY CENTRE

If you've just arrived at the airport, getting downtown is generally, depending on the traffic, a matter of some 20 to 30 minutes (if you make use of a taxi or a shuttle service; see below), or 50 minutes if you use the cheaper yet convenient and comfortable public transportation.

↓ КАК ДОБРАТЬСЯ ДО ЦЕНТРА ГОРОДА

Если вы только что прибыли в аэропорт, возможность добраться до центра города, как правило зависит от транспорта. Интервалы составляют от 20 до 30 минут (в том случае, если вы пользуетесь такси

FACTS & INFO

↓...BY PUBLIC
TRANSPORTATION

Bus presents the cheapest way of reaching city center. It links the airport with the terminus of one of Prague's three subway lines. The drawback may be the fact that you need to buy a bus ticket, for which you'll need Czech crowns. Use the ATMs in the arrivals hall to get Czech crowns, rather than changing money at the overpriced exchange offices. You can either buy your ticket from the kiosk or the transport information desk in both arrival halls (open 7AM – 10PM), from the coin vending machines located right at the bus stop platform, or directly from the driver, although this will cost a couple extra crowns. The ticket price is 26 Czech crowns (1EUR / 1.3USD) for transfer ticket that remains valid for the follow-up subway ride, or for a total of 75 minutes, plus an extra 13 crowns for larger pieces of luggage.

BUS # 119

This will probably be most people's choice as the 119 provides the quickest connection to the historical center. Depending on the time of day, it runs every 7 to 20 minutes and gets you to the A line of Prague's subway. Hop on, remember to validate your ticket, and don't get off until the final stop (Dejvická). The subway entrance is just next to where you get off. The bus runs from 4:18AM until around 12:10 AM at night.

BUS # 100

The 100 bus links the airport with the B-line of the Prague subway. Just get off at Zličín, the final stop. The 100 runs every 15 minutes throughout the day and every half hour after 7PM. The ride takes 15 minutes, but expect another 20 minutes

или трансфером, см. ниже), или 50 минут, если вы пользуетесь более дешевым и удобным общественным транспортом.

↓... НА ОБЩЕСТВЕННОМ
ТРАНСПОРТЕ

Автобус представляет самый дешевый способ как добраться до центра Праги. Он связывает аэропорт с терминалом одной из трех линий пражского метро. Недостатком является то, что вам будут нужны чешские кроны, чтобы купить билет на автобус. Пользуйтесь банкоматами в зале прибытия, чтобы получить чешские кроны, а не менять деньги в обменных пунктах по повышенной цене.

Вы можете купить билет в киоске или в информационном бюро в обоих залах прибытия (работает с 7 утра до 10 вечера), из монетных автоматов, расположенных на автобусной остановке, или прямо у водителя, хотя это будет стоить пару дополнительных крон.

Цена билета с пересадкой составляет 26 чешских крон (1EUR / 1.3USD). Он остается в силе для следующей поездки метро - в общей сложности действителен в течение 75 минут. Для багажа больших размеров вы заплатите следующих 13 крон. Обратите внимание на то, что торговые автоматы и шоферы не принимают иностранную валюту. Автобус удобный, чистый и безопасный способ сообщения с центром Праги для тех, кто хочет экономить. Однако, автобус может быть довольно переполненным в часе пик!

АВТОБУС № 119

Вероятно, большинство людей выберет автобус № 119, который обеспечивает быструю связь с историческим центром. В зависимости от времени суток, он ездит каждые 7 - 20 минут и соединяет пассажиров с линией пражского метро. Садитесь на автобус и не забудьте закомпозировать свой билет. Поезжайте до конечной станции метро

of subway ride if you're aiming to reach the city center afterwards by metro. The bus runs from 5:30AM until around 11:50 PM.

AIRPORT EXPRESS BUS

The Airport Express bus service links the airport with the Hlavní nadrazi train station; it runs every half hour and the ride takes 40 minutes. Although part of Prague's public transportation system, special fares apply: tickets can be purchased solely from the driver and run for 50 crowns (with no extra luggage fees). The AE runs from from 5:00AM to 10:00PM.

TRAVELLING AT NIGHT

If you want to use the public transportation at night, look out for the # 510 bus, operating between midnight and 3.30AM and linking the airport with the tram at Divoka Sarka. From there, take the tram # 51 to the city center. Note that the night bus runs every 30 minutes.

↓...BY SHUTTLE

Various companies run shuttle door-to-door services, or drop you off at the city center. They are generally priced lower compared to taxis, and can be easily found outside the terminals. The CEDAZ minibus shuttles run every half hour and costs 120 crowns per person, dropping you off at the city center. The service operates between 5:30AM and 9:30PM. CEDAZ will also drive you directly to any given address, but you need to pre-book (call +420 220 116 758 or go to www.cedaz.cz). Other shuttle services include Prague Airport Transfers who accept credit cards (www.prague-airport-transfers.com).

Дейвица. Вход в метро находится рядом с местом, где вы будете выходить из автобуса. Автобус курсирует с 4ч. 18мин. утра примерно до 00 ч. 10 мин.

АВТОБУС № 100

Автобус № 100 соединяет аэропорт с линией Б пражского метро. Выйдите на конечной остановке Зличин. Автобус № 100 ходит каждые 15 минут в течение дня и каждые полчаса после 7 часов вечера. Поездка продолжается 15 минут, но вас ждет еще 20 минут езды на метро, если вы на нем собираетесь добираться до центра города. Автобус курсирует с 5ч. 30мин. утра примерно до 23ч.50мин. ночи.

АВТОБУС AIRPORT EXPRESS

Автобус Airport Express (AE) связывает аэропорт с Главным вокзалом (Hlavní nadrazi). Он ездит каждые полчаса, и поездка длится 40 минут. Хотя AE является частью системы общественного транспорта Праги, здесь применяются специальные тарифы: билеты можно приобрести только у водителя и в цене 50 крон (без дополнительной оплаты за багаж). AE ездит с 5ч. утра до 10ч. вечера.

НОЧНЫЕ РЕЙСЫ

Если вы хотите использовать общественный транспорт в ночное время, обратите внимание на автобус № 510, который ездит между полночью и 3ч. 30мин. утра и связывает аэропорт с трамваем на остановке Дивока Шарка (Divoka Sarka). Оттуда добирайтесь на трамвае № 51 до центра города. Обратите внимание - ночной автобус ходит каждые 30 минут.

↓..НА МАРШРУТНОМ ТАКСИ

Различные компании используют челночное сообщение „от двери до двери ... или высаживают вас в центре города. Их цены, как правило, ниже, чем в такси, и такой тип такси можно легко найти за пределами терминалов. Челночные микроавтобусы CEDAZ ходят каждые полчаса, и проезд в центр города стоит 120 крон на человека. Микроавтобус курсирует с 5ч.30мин. утра до 9ч.30мин. вечера. CE-

↓...BY TAXI

Prague taxi drivers are notorious for overcharging tourists. Generally, you should be on the safe side with the fleet of AAA-labelled taxis waiting in front of the terminal. The ride will cost around 500 – 700 crowns. Don't shy away from contacting a competing company, but make sure to always check the price beforehand, whatever company you've chosen! You shouldn't ever have to pay over 900 crowns.

DAZ вас также отвезет по любому заранее заказанному адресу (+420 211 111 111 или посетите www.cedaz.cz). Другие услуги включают трансфер из Аэропорта Прага, где принимают кредитные карты (www.prague-aeroporto-transfers.com).

↓... НА ТАКСИ

Пражские таксисты известны своим обчитыванием туристов. Поэтому на всякий случай пользуйтесь такси с надписью AAA, ожидающих перед терминалом. Поездка будет стоить около 500 - 700 крон. Не бойтесь воспользоваться услугами конкурирующих компаний, но заранее убедитесь в цене. Независимо от компании, которую вы выбрали, вы никогда не должны платить более 900 крон.

↓2. ARRIVING IN PRAGUE BY TRAIN

International trains arrive at the central station, Hlavní nádraží, often referred to as Praha hl.n. The station is directly connected with Prague's subway system and located right in the city centre. If arriving after dark, we highly recommend hopping on the subway (remember to buy a ticket) rather than walking out and through the surrounding park. Most of the station itself has just been refurbished and boasts a modern look with plenty of kiosks, drug stores and fast-food joints.

↓2. ПРИЕЗД В ПРАГУ НА ПОЕЗДЕ

Международные поезда прибывают на центральную станцию, Hlavní nádraží, часто называемую Praha hl.n. Станция непосредственно связана с пражским метро и расположена в самом центре города. Если вы прибываете после наступления темноты, мы настоятельно рекомендуем вам ехать на метро (не забудьте купить билет) и не проходить через окружающий парк. Большая часть самой станции только что была отремонтирована и может похвастаться современным видом с множеством киосков, аптек и ресторанов быстрого питания.

FACTS & INFO

3. ARRIVING IN PRAGUE BY BUS

Florenc is the central bus station; located in the city centre, it is also directly adjacent to Prague subway's station Florenc (a transfer station between the lines C and B). Like the central train station, Florenc has recently undergone a major facelift and now boasts a pleasant and clean arrivals & departures hall with kiosks and fast-foods (Burger King, anyone?), and most importantly a big screen showing the bus times and the respective platforms.

3. Приезд в Прагу на автобусе

Флоренц не только является центральной автобусной станцией, расположенной в центре города, но и в непосредственной близости от пражской станции метро Флоренц (переход между линиями С и В). Как и центральный железнодорожный вокзал, станция Флоренц недавно подверглась значительной реконструкции и теперь может похвастаться приятным и чистым залом приездов и отъездов с киосками и ресторанами фаст-фуд (желаете Burger King?), а самое главное - большим экраном с отъездами и приездами автобусов и с указанием соответствующих платформ.

4. ARRIVING IN PRAGUE BY CAR

Prague falls victim to traffic jams and a lack of legal parking spaces (streets with blue-marked areas on the side are reserved for residents and you run the risk of having your car towed if you park there). This is why we recommend using the so-called P+R's (park and ride) parking places, situated near all highways. Find more info at www.dpp.cz/en/parking.

4. Приезд в Прагу на автомобиле

Прага становится жертвой пробок и недостатком законных парковочных мест. Улицы с полосой синего цвета на стороне означают области зарезервированные для жителей. В этом случае вы рискуете, что ваш автомобиль будет отбуксирован при паркинге. Именно поэтому мы рекомендуем использовать так называемые стоянки парк анд райд (P + R) - парковочные места, расположенные вблизи всех магистралей. Более подробную информацию найдете на www.dpp.cz/en/parking.

PRAGUE'S PUBLIC TRANSPORTATION SYSTEM

Prague's public transportation system is generally reasonably clean, very efficient, runs on time, and its network spans the whole city; with the price of 32 CZK for a transfer ticket (1EUR / 1.3USD), it cannot be beat. If you don't need to venture out of the center, you can confine to using the subway (or metro, as it's called here) and trams; buses service the further-away neighbourhoods. Let's look more closely at the various tickets you can purchase.

Tickets can be bought from the numerous vending machines in all the metro stations and at many tram stops (always keep coins at hand), or from most tobacco stores / kiosks.

24-hour pass: 110 CZK
3-day pass: (72 hours): 310 CZK

ONE-OFF TICKETS

30 min. / 5 stops / no transfer ticket: 24 CZK, 90 min. transfer ticket: 32 CZK

Remember to validate your ticket upon first entering the metro / boarding a tram or bus. (i.e. slip the ticket into one of the yellow boxes and wait for the info to be stamped on it).

For more information about Prague Public transport visit www.dpp.cz or call the free info line 296 191 817.

СИСТЕМА ОБЩЕСТВЕННОГО ТРАНСПОРТА В ПРАГЕ

Общественный транспорт в Праге, как правило, достаточно чистый, очень эффективный и точный. Его сеть охватывает весь город. Цена билета 32 крон за поездку с пересадкой (1EUR / 1.3USD) очень выгодна. Если вам не надо выходить из центра, вы можете ограничиться метро и трамваями. Автобусы следуют в окрестности города. Давайте более внимательно рассмотрим различные

типы билетов, которые можно приобрести. Билеты можно приобрести в многочисленных торговых автоматах на всех станциях метро и на многих трамвайных остановках (всегда имейте при себе монеты), или в большинстве табачных магазинов или киосков.

Суточный билет (24 часа): 110 крон
Трехдневный билет(72 часа): 310 крон

РАЗОВЫЕ БИЛЕТЫ

30 минут / 5 остановок / без пересадки: 24 крон

Не забудьте закомпоствировать свой билет при первом входе в метро, в трамвай или в автобус. (т.е. вложите билет в одну из желтых коробок и подождите пока билет не будет закомпоствирован). FACTS & INFO

For over 1000 years, Prague has served as the political, cultural and economic centre of the Czech state. Having been the seat of two Holy Roman Emperors during the gothic and renaissance periods, it also had the status of the Holy Roman Empire capital. Prague's history commenced in the year 870, although evidence shows the area had been inhabited since the Stone Age. The city flourished during the 14th century, under the reign of King Charles IV, who, among other deeds, ordered the building of the famous Charles Bridge or Saint Vítus Cathedral, the oldest gothic cathedral in central Europe, and Charles University, the oldest university in central Europe. Prague was then the third-largest city in Europe. Now home to some 1.2 million inhabitants, Prague became the capital of the newly set up Czechoslovakia in 1918, with the end of WW I and the dissolution of the Austro-Hungarian Empire. In 1992, Prague's historic center became a UNESCO world heritage site, and is currently one of the world's most popular tourist destinations.

На протяжении более 1000 лет, Прага служит политическим, культурным и экономическим центром чешского государства. Она была пристольным городом двух императоров Священной Римской империи в готическом периоде и в эпохе Возрождения. Прага также имела статус столицы Священной Римской империи. История Праги началась в 870г., хотя есть сведения о том, что область была населена с периода каменного века. Город процветал в течение 14-го века, во времена правления короля Карла IV, который, наряду с другими проектами, приказал построить знаменитый Карлов мост, кафедральный готический собор Святого Вита, и Карлов университет - старейшие постройки в Центральной Европе. В то время Прага была третьим по величине городом Европы. Сейчас здесь проживает около 1,2 млн. человек. После окончания Первой мировой войны и распада Австро-Венгерской империи в 1918 году Прага стала столицей вновь созданной Чехословакии. В 1992 году исторический центр Праги стал принадлежать к Всемирному наследию ЮНЕСКО, и в настоящее время является одним из самых популярных туристических мест в мире.

LÉTO JE TADY!

Máme za sebou velmi náročný měsíc. Velká Británie ukázala vztyčený prostředníček EU, opustilo nás hned několik velkých osobností a počasí bylo natolik bláznivé, že chybělo jen, aby z nebe padaly žáby.

Doufejme, že prázdniny přinesou nejen stabilnější teploty, ale též méně společenských infarktových situací. Místo toho si užijeme ty kulturní, kde hrozí maximálně to, že náš oblíbený hrdina na nějakou chvíli padne (ale pak se zase vzchopí, aby mohl hrát v pokračování).

V parném počasí bezpochyby přijde vhod nová Doba ledová (kdo by to byl řekl, že od prvního dílu uteklo již 14 let!). Potkáme nové Krotitele duchů, užijeme si na vlastní oči vystoupení živelné Rihanny, s posádkou Star Treku se znovu vydáme do nezměřovaných dálků a naše sympatie se pokusí získat členové Sebevražedného oddílu.

A hlavně vyražte z města, jsou prázdniny!

THE PURGE: ELECTION YEAR

Horror, USA / FR, 2016

Director: James DeMonaco

Stars: Elizabeth Mitchell, Frank Grillo

Release date: 7.7.2016

In the horror genre, the base is everything. If you come up with a clever twist or interesting history of main villain,

you can usually win. That's why the 80s horror movies were so great when the filmmakers had perversely ingenious ideas. The Purge can boast with the same thing. The idea of modern America in which they managed to reduce crime by using a special day, where in 12 hours, everything is permitted, it is damn thing carrier. This year the Purge will happen for the third time and this time the main hero of the previous movie will have to make a guard for the president candidate.

THE LEGEND OF TARZAN

Action / Adventure, USA, 2016
Director: David Yates
Stars: Margot Robbie, Alexander Skarsgård, Christoph Waltz
Release date: 7.7.2016

Classic comes in a new look, this time from the director of Harry Potter. Many years have passed since Tarzan (Alexander Skarsgård) changed the life in the African jungle for the life of a wealthy John Clayton III, alongside with his beloved wife Jane (Margot Robbie). Now he is sent back to the Congo as a trade emi-

ssary of the parliament, without realizing that he has to play the role of a pawn in a deadly game of greed and revenge captain Leon Rome (Christoph Waltz). But the people behind a murderous conspiracy did not even know who they're dealing with. But you do. And you should not miss this spectacular new movie.

The ice event of the year is coming and Manny, Sid, Diego and, of course, chipmunk Scrat returns! Ice Age was not a place for ladies. Only the fittest have survived (or in this case, those who had the greatest luck) and it seemed that after four stints the heroes will rest. But

ICE AGE: COLLISION COURSE

Animated / Comedy, USA, 2016
Director: Mike Thurmeier
Voices: John Leguizamo, Denis Leary, Queen Latifah, Ray Romano
Release date: 14.7.2016

the chipmunk Scrat is so obsessed with hunting the fleeing acorn. And this time he ends up in space because of it! There he causes a cosmic collision of unprecedented proportions and our planet is in danger again. And of course, with the Earth also our old known heroes.

LIGHTS OUT

Horror, USA, 2016
Director: David F. Sandberg
Stars: Teresa Palmer, Maria Bello, Billy Burke, Emily Alyn Lind, Lotta Losten
Release date: 21.7.2016

19This kind of horror is not a new thing - when the lights are on there is no one in the room and the lights are off the outline of the figure is in the room. Then the lights on ... and the figure is gone. Turning lights off again can be a good adrenaline. Horror movie Lights Out intends to exploit this idea up, and it makes no sense to play the hero, it

works very well. This fear, that after turning the lights off, there is something that definitely has not to be in the room, everyone knows pretty well. Within the darkened cinema it could work damn good. Everything will depend on the script (but you should probably not wait great miracles) and mainly on a director, who is a debutant.

Kate McKinnon, Leslie Jones, Cecily

Release date: 28.7.2016

The first trailer for the new Ghostbusters, although it was not bad, caused great displeasure and became the most hated movie trailer on YouTube history. This movie's just not gonna be easy. But let's be realistic. Continuation of the original movie, could have been made, but the team he would still not be complete (remember that two years ago Harold Rammis unfortunately left us, who also in the case of both parts of the original series was one of the main screenwriters). In addition, a new team consists of experienced comedy actresses. So let's give them a chance!

JASON BOURNE

Action / Thriller, USA, 2016
Director: Paul Greengrass
Stars: Matt Damon, Julia Stiles, Alicia
Vikander, Tommy Lee Jones, Vincent
Cassel, Riz Ahmed, Scott Shepherd
Release date: 28.7.2016

We know his name. Do we really know everything? Precisely this question is asked in the latest adventure of Jason Bourne (Matt Damon) and reminds to all fans of digital coloring why is honest manual work the best - because it looks on the screen a hundred times better! Sheets are twisting, things are exploding, vehicles flying in the air, everything is almost tangible, and Bourne goes through the expression of the Terminator, whom you don't want to cross path with. Jason Bourne is back in full force and reminds us again that he has no competition.

SUICIDE SQUAD

Action / Adventure/ Sci-fi, USA, 2016
 Director: David Ayer
 Stars: Will Smith, Jared Leto, Margot Robbie, Joel Kinnaman, Jai Courtney
 Release date: 4.8.2016

To say that we look forward to villain super-hero movie *Suicide Squad* would be needless. Excellent cast, fantastic trailers and promise of a minimum of two iconic bad guys in the ideal actor package. What to want more? Perhaps only the fact that the first reviews talk about one of the best comics-based movies ever. And apparently we will fall in love to Margot Robbie, despite playing insane Harley Quinn. But we counted on that.

THE SECRET LIFE OF PETS

Animated / Comedy, USA, 2016
 Director: Chris Renaud, Yarrow Cheney
 Voices: Louis C.K., Eric Stonestreet, Kevin Hart, Steve Coogan, Ellie Kemper
 Release date: 11.8.2016

There is no need to doubt that our dear four-legged friends at home are doing what they want, as soon as the door closes. Indeed, the internet is full of similar videos. The creators of the *Minions* caught the idea and brought us a new animated movie, where we will look behind the mentioned doors. Max and Katie are soul mates, the absolutely best friends in the world. What about the fact that Max is a dog and Katie a human? If Katie won't disappear every day for long hours and leave Max alone in the apartment, he would be the happiest dog ever. But then Katie brings new pet. A disaster can begin.

STAR TREK BEYOND

Adventure / Sci-fi, USA, 2016
 Director: Justin Lin
 Stars: Chris Pine, Zachary Quinto, Zoe Saldana, Karl Urban, Anton Yelchin
 Release date: 18.8.2016
 14.4.2015

Originally the third *Star Trek* movie had to be recorded by Roberto Orci, the screenwriter of the series, who would debut as a director with this movie. However, the studio chose Justin Lin, who worked himself between the fittest action directors of today with the *Fast and Furious*. Sci-fi genre is not directly his

forte, but with the leadership of refreshed crew of the *Enterprise* spaceship, it shall not be a slightest problem. And success is guaranteed although from a sad reason. Some time ago, Anton Yelchin, who plays Chekov, died in unfortunate accident. The image thus has a guaranteed success, even if it is the weakest part of the series.

The Langweil model, created in 1826–1837, is a unique exhibit and the most attractive one in the museum. It provides unique evidence of how the Old Town, Lesser Town and Prague Castle looked before the redevelopment of Prague at the end of the 19th, 20th centuries. It

was made by hand using cardboard. On an area of approximately 20 m² the historical heart of Prague is depicted in detail as it looked one hundred and fifty years ago, including hundreds of buildings in the former Jewish Town and the Old Town which were later demolished.

FEEL LIKE IN HOLLYWOOD!

Although you won't find any Hollywood movie stars in the Czech streets, many of them were filming here. So you can make a picture of Czech sites that adorn a lot of famous Hollywood movies.

We have to start with the blockbuster Mission: Impossible from 1996 with Tom Cruise in the lead role. It was the first major Hollywood production that visited Prague and the filmmakers had used a number of gorgeous Prague scenes. The party at the embassy was filmed at the National Museum, the escape from modern glass restaurant (cover photo) on the Old Town Square. In this case, however, keep in mind that the restaurant itself doesn't exist – it was made just for the purpose of filming the movie.

After 15 years the production of Mission: Impossible returned to Prague, this time with the fourth chapter – Ghost Protocol. They used the Main Railway Station (the opening scene with killed agent) or the corner house in the street Pštrossova 17, where Ethan Hunt ran from the police. In 2002 Anthony Hopkins and Chris Rock visited Prague together to shoot an action thriller Bad Company. Rock was chased

by bad guys in Thun Street in Lesser Town (Malá Štrana), Hopkins' agent went to help him through Castle stairs (Zámecké schody). Together they went to the Castle Square. They also used the Shooter's Island (Střelecký ostrov) in the Old Town (the scene with atomic bomb dealer).

Even the legendary vampire slayer Blade used the streets of Prague in his second adventure movie. From the entrance next to the pizzeria in the Sokolovská Street, the filmmakers made a vampire blood bank. And for the seat of vampire family Damaskinos they used secluded place of Vaníčkova Street.

Prague had a key role in the action movie of Vin Diesel xXx filmed in 2002. Beginning of the movie was shot on the Old Town Square (the producers managed to depopulate it, which was almost an im

possible task), then the camera wandered the Týnská Street, the Powder Gate, the Republic Square and the seat of the Czech philharmonic – Rudolfinum. In 2004 our country was visited by Wolverine – Hugh Jackman, in those times wi-

thout his comic book claws, but with his long coat and hat as Van Helsing. The battle in the village with three brides of Dracula (probably the best part of the movie) was filmed at the Kunratice Castle in Prague 4. Then the hero walks the street Na Kampě under the Charles Bridge, where

one of the brides offers him a trade. The magnificent ball of vampires was filmed in the Saint Nicholas Church.

This list of Hollywood hits, which included Prague to its scenes, naturally doesn't end. Furthermore, there were shot movies like The Bourne Identity (street Kampa, street of Political prisoners, the Senovážná square) or A Knight's Tale (Prague Castle, the Charles Bridge). Before the walk in our metropolis we recommend to watch all of these mentioned movies.

INTERVIEW: Vlastimil Musil

H *He deals with Bohemian garnet processing already for 30 years. The production of jewellery becomes for him almost whole-life fulfilment of interests. In the interview with him, you can simply recognize a love to craft: Even after such a long time, he can't talk about the garnet without a spark in his eyes. And also, he has a penchant for tie clips and cufflinks. That all is the sales and marketing director of co-operative Granát Turnov Vlastimil Musil.*

Can you describe, in what lies the uniqueness of Bohemian garnet?

Bohemian garnet is unique because of its originality and bloody red color. Because we mine and process it in Czech Republic, it became our national tradition and national wealth. Its bloody red color is unmistakable and together with the tradition and national meaning that stone makes also the whole jewel unique.

How is it with Bohemian garnet worldwide?

Our co-operative has its customers worldwide, from United States through Europe to Japan. Ask foreign tourists, they'll tell you, what am I talking about. Jewelry with Bohemian garnets are very favored between foreign tourists or customers in foreign countries.

Why would you recommend Bohemian garnet?

A customer, who bought original jewel with Bohemian garnet, chose a right variant. He bought something original, he bought a present or jewel, which has a direct relation to visited country, and when he wears this jewel, even after a long time, he will remember with a pleasure those nice whiles spent in Prague or in other Czech city or town.

How one recognizes Bohemian garnet?

Jewelry with Bohemian garnets have its specific characteristics and shape. Since Bohemian garnets are quite little stones, the jewel is characteristic by a big field of small, bloody red stones. Its size is roughly 2.5 to 5 mm. Original jewellery is delivered together with a certificate of authenticity, which is equipped with a holographic label in a shape of logo of our co-operative and it is made under trademarks Český granát (Bohemian garnet) and Granát Turnov (Garnet Turnov). Each jewel is marked by hallmark in a shape of letter "G".

You lead even a museum of Bohemian garnet in Turnov. What all does it offer?

A visitor may become familiar there with a history of both the extraction, and also processing of Bohemian garnet. Even more this year, we'll celebrate 60 years of this tradition. In museum, customer center and Galerie Granát (Gallery Garnet) we perform these works to visitors and they can try then the production themselves.

That is very impressive and it catches eye of many incomers. In ground floor, there are our stores, where tourists can buy our goods with advantage.

Granát, artistic manufacturing cooperative, Turnov The manufacturer of the traditional jewelery from Bohemian garnet. The biggest collection with modern design patterns. The only owner of a Bohemian garnet strip mine.

SINFUL NIGHT LIFE OF PRAGUE CITY

Why will be deluding ourselves. Every good capital, whose streets pulsate with life, must have beside restaurants, bars, cafes and shopping centers also (as the novelists say) the houses of love. And even Prague is no exception. But before we go into its streets, let's make a small historic revision.

It is no longer the rule that these places are for desperate individuals. Time progressed. You can forget the red neon lights, a company of doubtful quality and cheating customers. Although the movies are convincing us that the so-called night clubs are cheap sources of vice, many psychologists have the opposite view: the company struggles

with excessive shame and these clubs can be the right medicine.

When was the phenomenon of night clubs or prostitution itself actually born? Well, not for anything they say that it's the oldest profession of the world. It is probable that prostitution has evolved from religious belief and rituals which were held to celebrate the goddess of fertility in the Middle-Age. In the 19th century it was strongly developed and reached all segments of society from politics to high art (for example Vincent Van Gogh lived for years with a Flemish prostitute).

Even fifty years ago, half of the prostitutes were involuntary. This should already be over. The paradox is that there were previously only 10% of prostitutes educated; now the 50% of them are college students. This is an education reform!

We know that it's not easy to find the right company in which you can feel natural and comfortable. Indeed, there are lots of them and if you had to visit them all, it would cost you the whole wealth.

For this reason, we are showing few short "best of" tips in the following pages. We guarantee that you definitely won't be bored. The ride full of excitement and beautiful women is awaiting!

IN WHICH CASES YOU HAVE TO BE !!!CAREFUL IN PRAGUE!!!

Prague is undoubtedly a beautiful city. It has a number of unique places where you can party all day and night. Complete paradise for tourists. And you know that paradise can easily become hell. Therefore, we bring you five tips on which cases you have to be careful.

1) Taxi drivers

This is the basis that applies absolutely in every big city. And Prague is not an exception. Of course, not every taxi driver is a thief. But as soon as poorly paid driver (and it's not a dream job for sure) find confused tourist, he immediately turns this opportunity to get some extra money from you. You should know that the whole city center takes just few kilometers and it's simply not possible that someone pays 800 CZK for the route from the Old Town Square to the Peace Square (náměstí Míru). For that kind of money you could get to town 20 minutes from Prague!

Always be careful and watch the taximeter and check the boarding amount. And now we are slowly getting to the point two.

2) Exchange offices

We can say that those are the taxi drivers in static booths. They are behind a Plexiglas and tastefully blabbering numbers you don't understand. Do not be lazy and find out the currency by yourself. You must be able to count a little and as a result

you can save a lot of money. If you are lazy to count, pull out a bank note and burn it. That will be the same effect as walking into the exchange office unprepared.

3) Small shops

There are lot of small untrusted food shops in the center that value the goods 10 times more expensive than normal. Most of the time you can recognize them – they don't have price tags anywhere, their relatives fought in Vietnam War or they have contacts in Russia.

4) Around the Central Railway Station

There are places where even a born and raised Prague citizen doesn't dare to go after dark. The situation of the Central Railway Station is desperate. Every day you can see dozens of dubious existences sitting on the benches and spending time by sipping wine from boxes or another cheap alcohol. Among the Prague citizens the park is nicknamed as Sherwood. And it has its modern Robins Hood. The difference, however, is that they take everything from everybody. And that means that the fifth point is ...

5) Pickpockets

Pickpockets are everywhere and especially in Prague they have developed their noses for tourists. So be careful not to give them too much smell.

LOST IN TRANSLATION: HOW TO USE CZECH EXPRESSIONS

A Czech will not tell you to “go to hell/fuck off”...they will ask you to “go to the woods!” (Do háje/ Do Prčic).

A Czech does not blame things on “bad karma”...it’s more like “to shit in one’s shoes.” (Nasrat si do bot).

Czechs don’t “gate crash” or “party crash”...instead they “rub themselves in somewhere.” (Vetřít se někam).

For Czechs, something isn’t, “all Greek to me” but instead “a Spanish village to me.” (Je to pro mne španělská vesnice).

A Czech won’t say “It’s apples and oranges”...instead, it’s “a different kind of coffee.” (To je jiné kafe).

Czechs won’t say someone or something is “as useful as ”...they describe it more “as useful as an overcoat for the dead.” (Platný jak mrtvýmu zimník).

Czechs won’t call someone “absent minded”...they will say that person is “staring into stupid.” (čumět do blba).

Czechs don’t wake up “at the crack of dawn” ...they “get up with the chickens.” (Vstávat se slepicemi).

Czechs don’t get “speechless”...they “have a dumpling in one’s throat.” (Mít knedlík v krku).

A Czech will not admit to “besting” you... they will say they’ve “pushed you into their pocket.” (Strčit někoho do kapsy).

Czechs don’t “get into a pickle”... they are more likely “to be in the rice.” (Být v reži).

Czechs don’t “kill two birds with one stone”...they “kill two flies with one hit.” (Zabít dvě mouchy jednou ranou).

Czechs won’t say something is “messy”... it’s more like a “brothel.” (bordel).

Czechs don’t “put pressure” on you... they “put the knife on someone’s throat.” (Dát někomu nůž na krk).

Czechs don’t go to “stag parties/bachelor parties”...they go on a “men’s ride.” (Pán-ská jízda)

In the Czech Republic, it won’t “rain cats and dogs”... it “rains as if from a watering can” (Lije jako z konve).

Czechs don’t “cross their fingers” to wish good luck on someone...they “hold one’s thumbs.” (Držet (někomu) palce).

Czechs don’t “walkin into the lion’s den”...they “tease a snake with bare feet.” (Dráždit hada bosou nohou).

Czechs don’t “beat around the bush”... they “walk around hot porridge” (Chodit kolem horké kaše).

Czechs don’t get “fed up”...they “have their teeth full of it.” (Mám toho plné zuby).

Czechs will not wish you good luck by saying, “break a leg”...they will ask you rather to “break your neck.” (Zlom vaz).
